

**Shankarlal Khandelwal Arts, Science and Commerce College,  
Akola (MS)**

**Session 2022-23**

**Action taken report on Feedback process of the Institution**

**Suggestions received from alumni, parents and peers for the improvement and development in the college by feedback committee.**

<b>Sr. No.</b>	<b>Suggestions received from alumni, parents and peers</b>	<b>Action Taken</b>
<b>1.</b>	Research laboratories and equipment should be improved	New computer science laboratory with latest version of computers was installed.
<b>2.</b>	The college should take the lead in organizing multidisciplinary programs	45 Workshops conducted during the session 2022-23 and most of them were multi-disciplinary such as Intercollege Hybrid Conference on Careers in Film & Media Industry and Entrepreneurship Development, Soft skill, Communication Skill workshops Beads Rangoli workshop, Elocution Competition, Eco Friendly Color Making Workshop, Financial Wellness Enhancement, Career Guidance Workshops, IPR etc.
<b>3.</b>	Campus placements should be enhanced	Since last year, 17 Students are placed in different organisations and even online verification was done by the college

**Suggestions received from students, alumni and teachers for the improvement in curriculum design and development by feedback committee of Shankarlal Khandelwal Arts, Science and Commerce College, Akola:**

**Suggestions:**

1. Syllabus should be skill based / activity based.
2. The syllabus should be designed as per the need of the industry and society.
3. More application based practical's to be incorporated.
4. Curriculum should be job oriented.
5. Applied syllabus should be incorporated.
6. Current syllabus is not sufficient for higher level exams, so it needs to be modified.
7. Syllabus should have more experiential learning, field excursions.
8. Vocational courses for the creation of self-employment to be added in curriculum which will make students "*Atmanirbhar*" in future.
9. Research based courses should be started.

**ATR: The above suggestions regarding curriculum design & development were communicated to the Respective Dean of Faculties of Arts & Humanities, Science and Commerce.**

Suggestions received from students, alumni and teachers for the improvement in curriculum design and development by the feedback committee of Shankarlal Khandelwal Arts, Science and Commerce College, Akola:

**Suggestions:**

1. The curriculum should be need-based.
2. Industry-related topics should be incorporated into the syllabus.
3. The syllabus should be designed in such a way that there should be a correlation between theory and practical.
4. The syllabus should be career and job oriented, skill-based, applied and based on the current needs of the time.
5. The syllabus should be restructured every five years.
6. The Syllabus based on new technologies should be incorporated.
