Session 2021-22

Action taken report on Feedback process of the Institution

Suggestions received from alumni, parents and peers for the improvement and development in the college by feedback committee.

| Sr. No. | Suggestions received from alumni, parents and peers | Action Taken |
|----------------|--|---|
| 1. | Improve sports facility in the college. | Recently two badminton courts & one mat kabaddi ground are added. |
| 2. | Placement activities should be enhanced. More placements are required. | Four activities & one placement drive were organised by the placement cell & five students were placed during session 2021-22 |
| 3. | Drinking water facility should be there in the college. | We have started RO water facility for our students by providing them cans. |
| 4. | Canteen facility should be there. | Canteen Facility is now available. |
| 5. | Improve cleanliness of toilet | Renewed the toilets. |
| 6. | Separate laboratory for M. Sc. Chemistry is needed | We have constructed a separate M.Sc. Chemistry lab. |
| 7. | Advance research facilities should be made available in college | Central instrumentation lab has been set up on second floor attached to Microbiology & Zoology departments. |

Suggestions received from students, alumni and teachers for the improvement in curriculum design and development by feedback committee of Shankarlal Khandelwal Arts, Science and Commerce College, Akola:

Suggestions:

1. Syllabus should be skill based / activity based.
2. The syllabus should be designed as per the need of the industry and society.
3. More application based practical's to be incorporated.
4. Curriculum should be job oriented.
5. Applied syllabus should be incorporated.
6. Current syllabus is not sufficient for higher level exams, so it needs to be modified.
7. Syllabus should have more experiential learning, field excursions.
8. Vocational courses for the creation of self-employment to be added in curriculum which will make students "*Atmanirbhar*" in future.
9. Research based courses should be started.

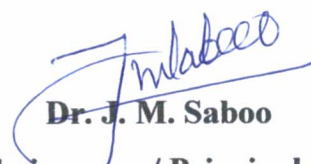

ATR: The above suggestions regarding curriculum design & development were communicated to the Respective Dean of Faculties of Arts & Humanities, Science and Commerce.
