SHANKARLAL KHANDELWAL COLLEGE, AKOLA.

Vision

We strongly believe in molding students into ideal, responsible and productive citizens dedicated to Nation by imparting need based education functioning with core values, Nationality, honesty, quality, rule following and cleanliness as reflected through the aims and objectives cherished and practiced by the members of the institution.

Mission

Establishment and function of the college is aimed at achieving National Goal. This is not a mere act of social service, rather a task dedicated towards a national duty. Through education cultured, intellectual, self-reliant students committed for nation can be developed. Keeping students at a focal point institute chalks out its policies. The institution has a firm belief that students have tremendous potential. If their potential is channelised in right direction, we can find solution to many of our problems. Conducive environment, healthy traditions and proper direction are must for a nation's prosperity. Let us join together in our humble endeavour of drawing our godly students in the national stream so as to take India to the highest pinnacle of glory in the world.

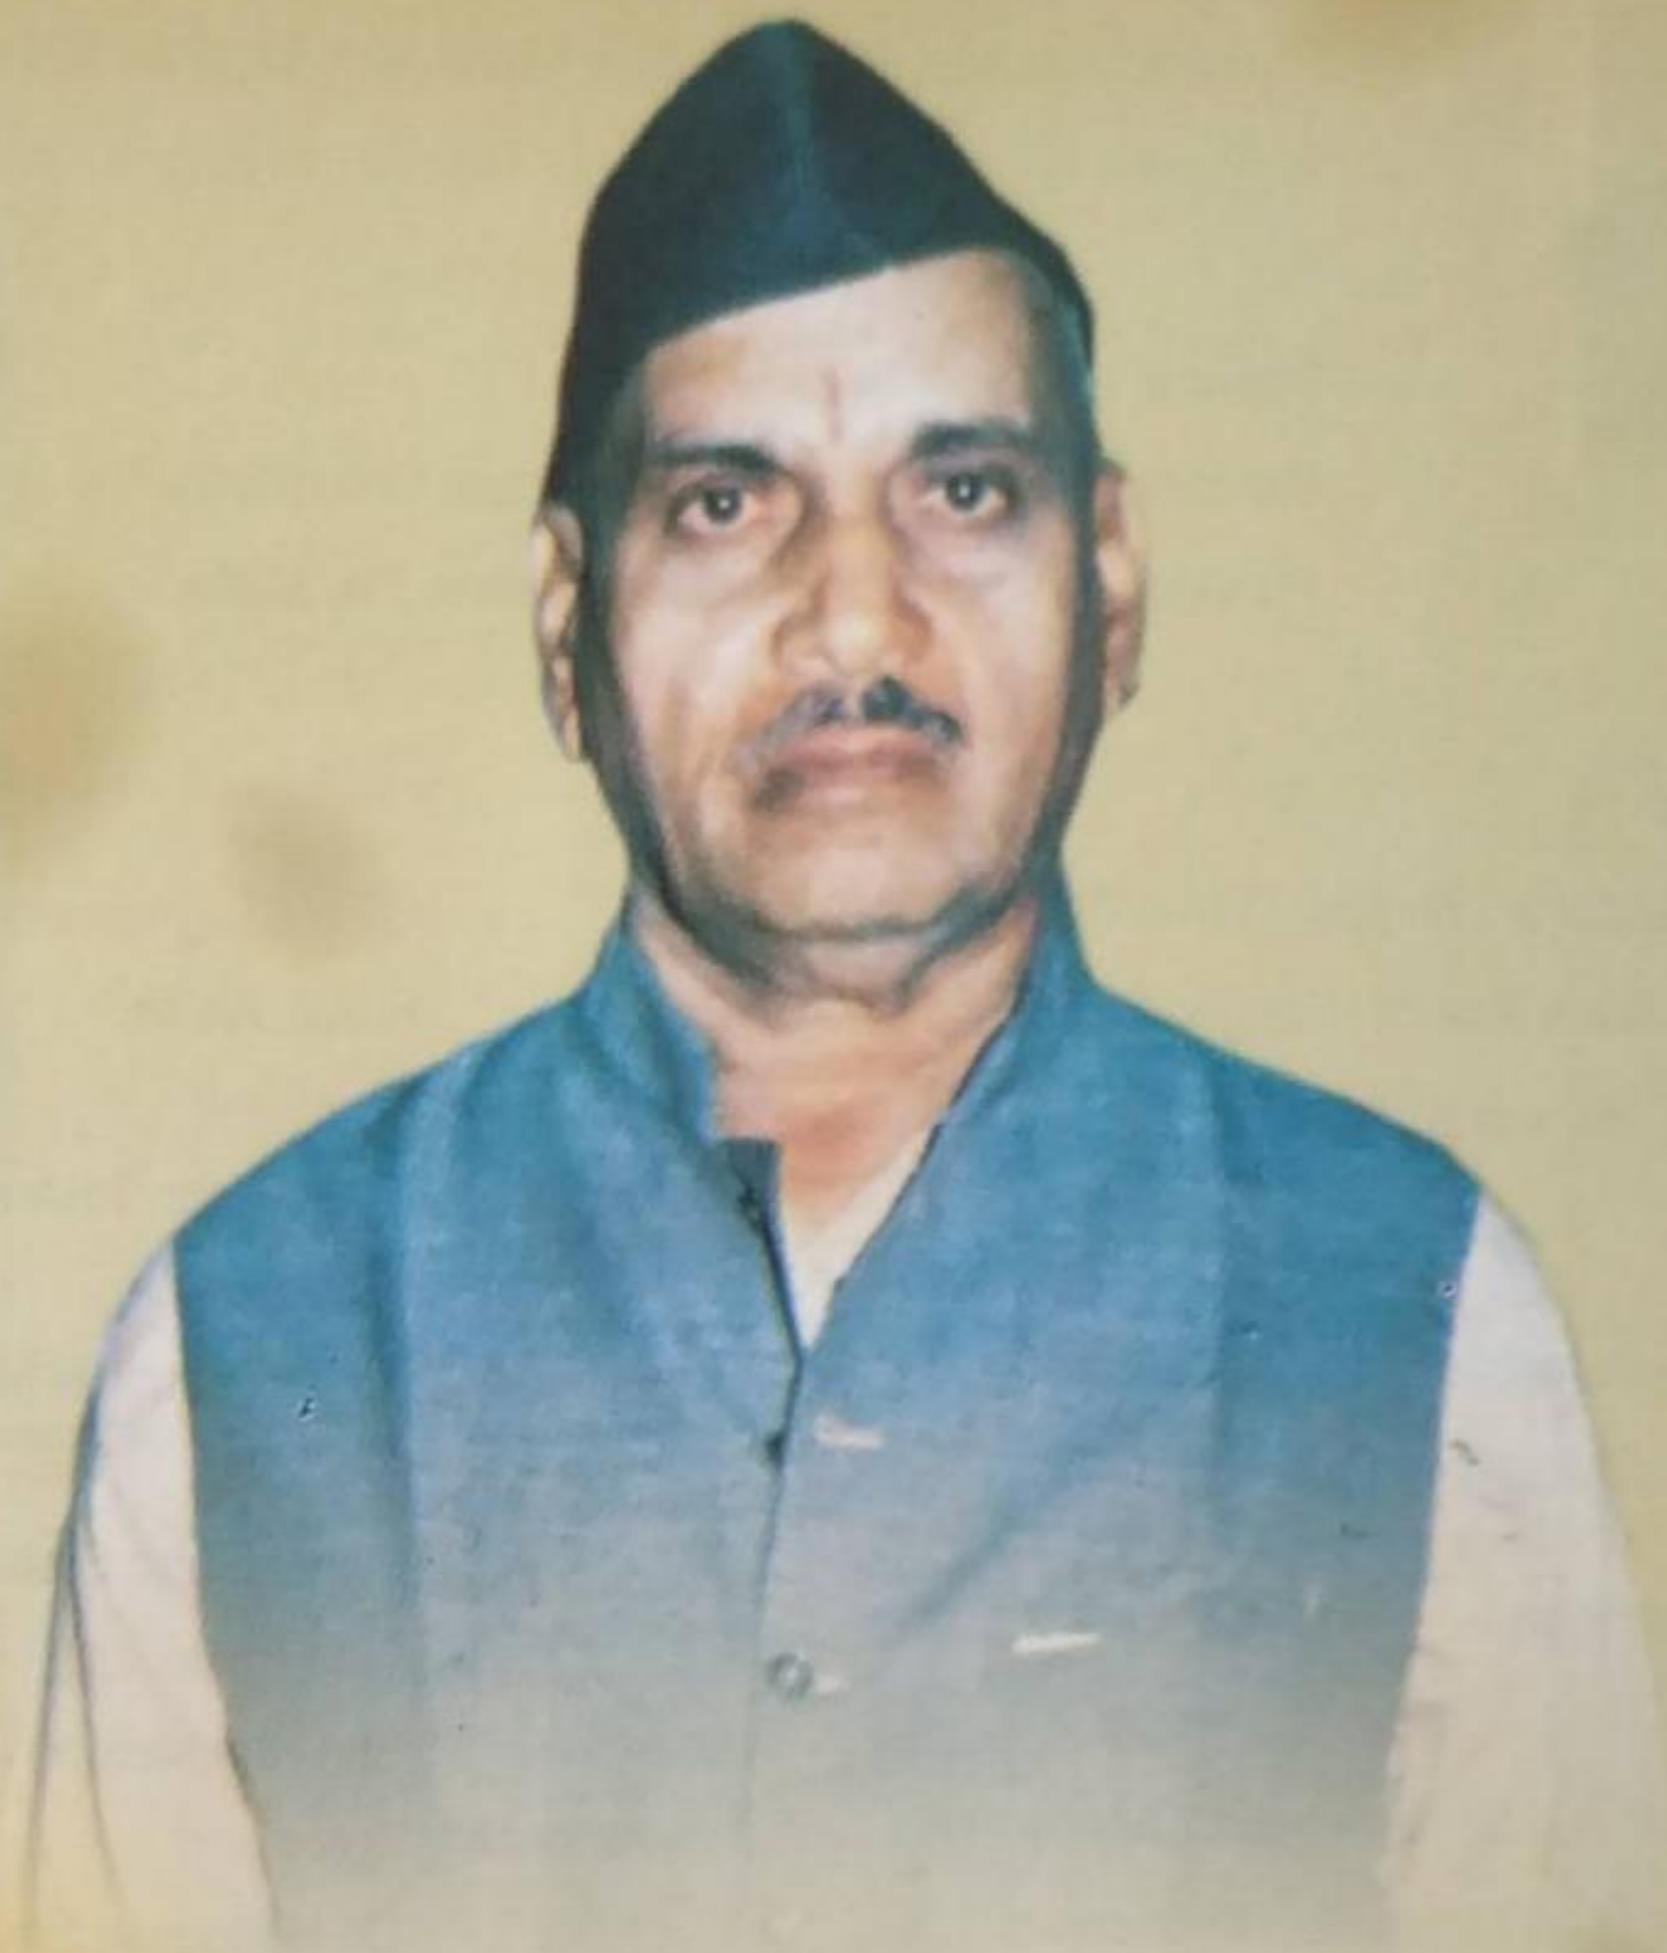

Our Objectives

- ◆ We are a student focused, quality driven, result oriented Institution, focused on providing value based education to our students.
- ◆ We strive to maximize practical utilization of youth power, delivering high quality of knowledge and would like to be recognized for excellence in education
- ◆ We constantly look for new and better opportunities, for innovative ideas. We aim at student's creativeness and self reliance, to learn from our short comings and strive for excellence.
- ◆ We set achievable goals of excellence to fulfill objectives and missions of our institution and work as a professional, competent and dedicated team for the institution to achieve excellence in all areas of our studies.
- ◆ We follow highest standards of ethics in Education and add national value for the country men at large by discharging social obligation as responsible Indians.
- ◆ We maintain absolute integrity, honesty, transparency and fair play in all our doings and strive to maintain high standards of morality in our personal life.

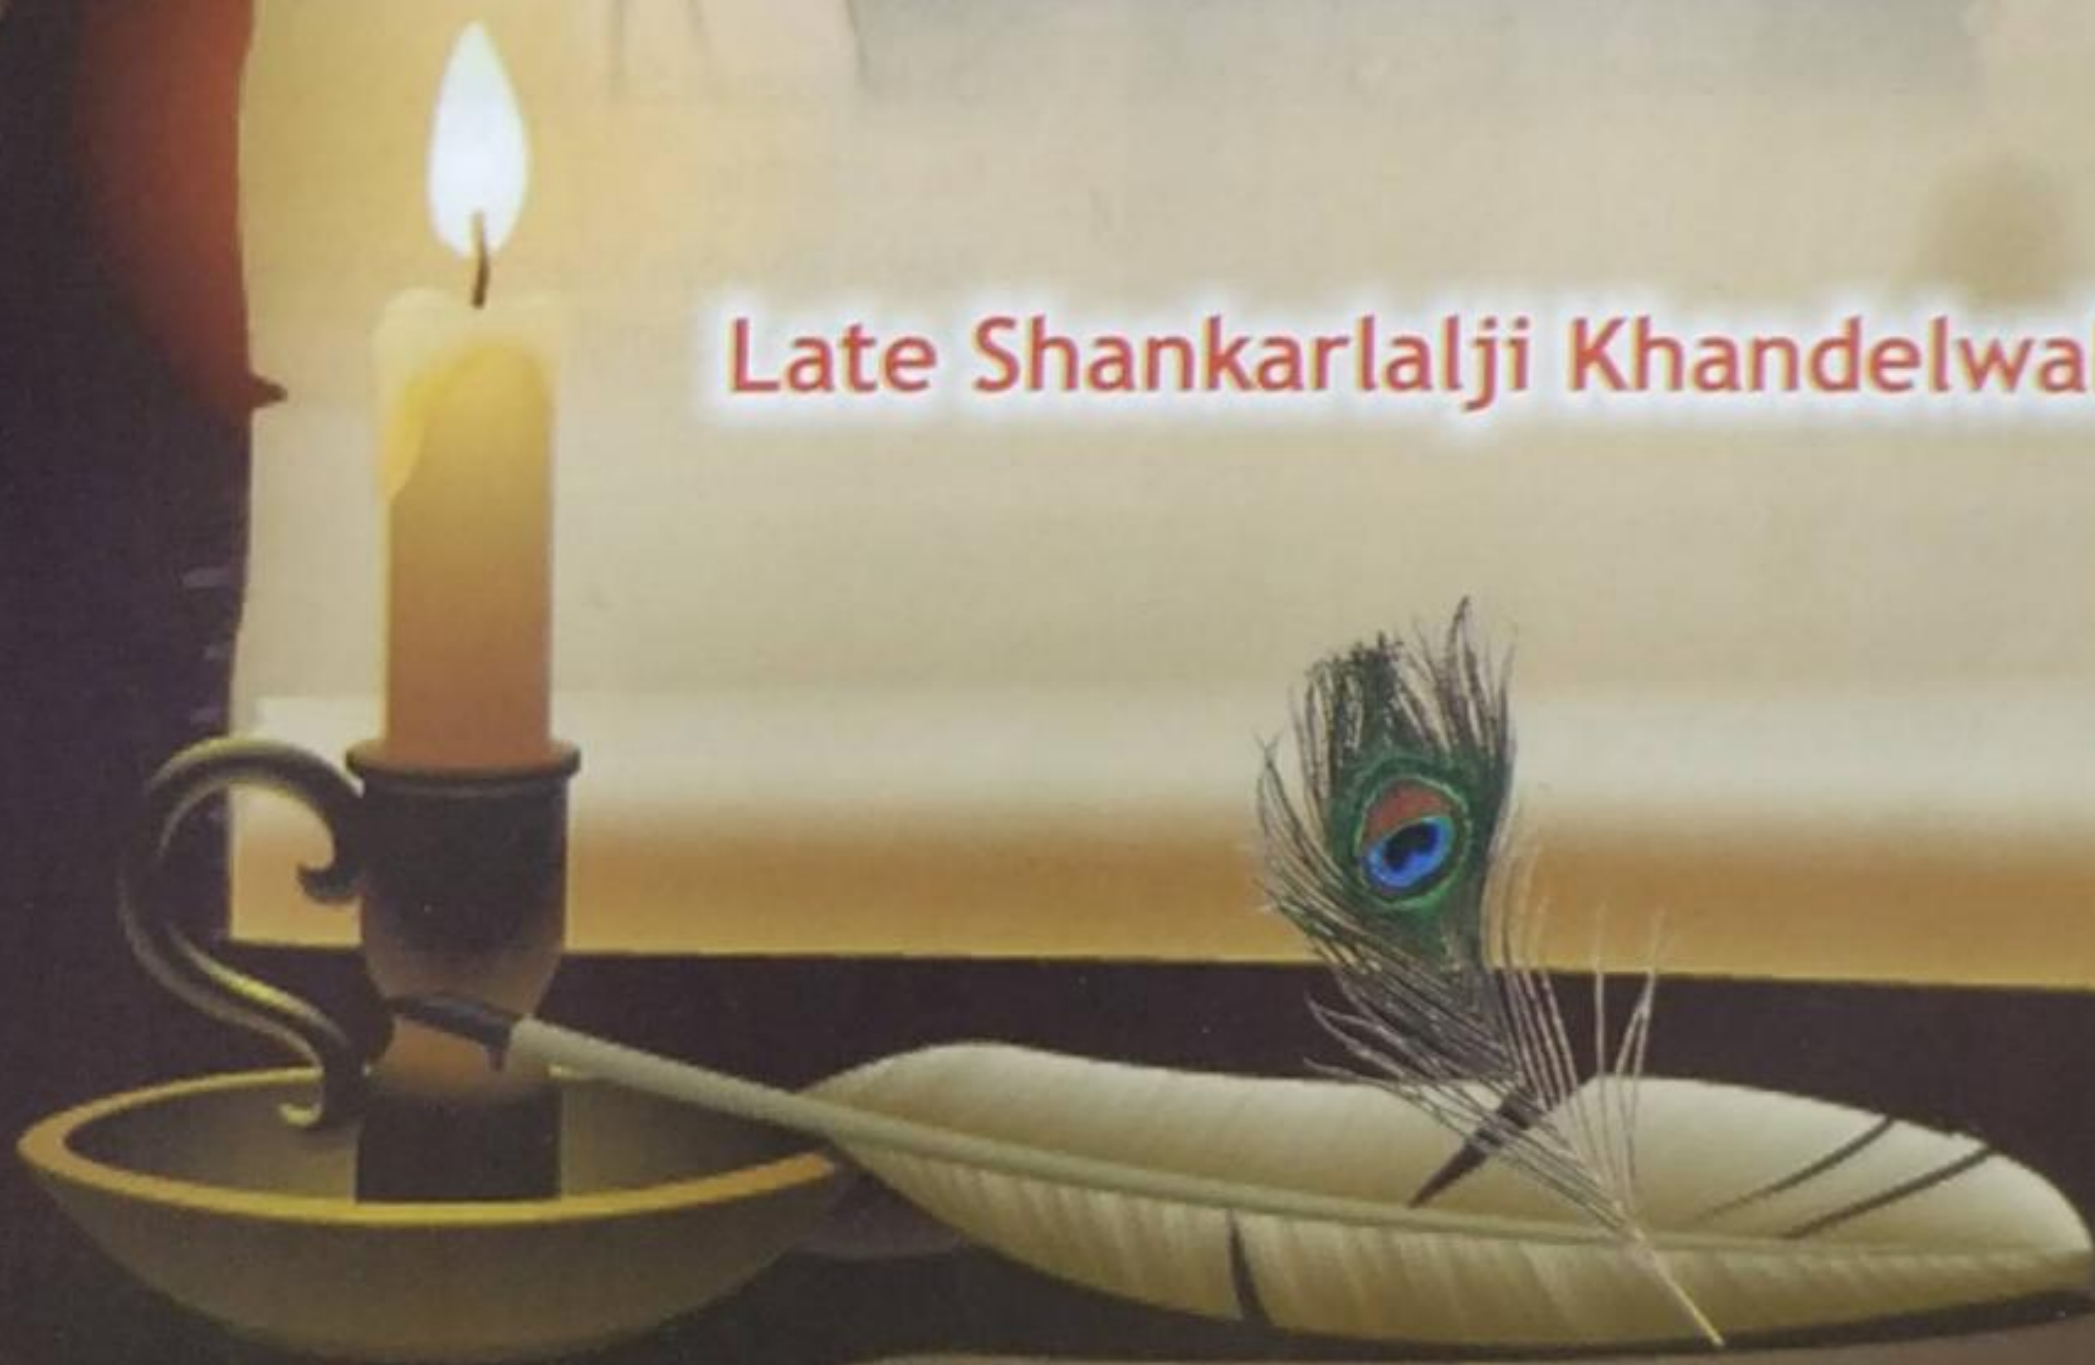

Education for Life &

Life for Nation ...

आचार : परमोधर्मः ।।

Late Shankarlalji Khandelwal

Late Shankarlalji
Khandelwal

Public Work

A Swayamsevak of R.S.S. from 1937.

Help to drought affected people of Akola in 1959 & 1978.

Involvement in Bangladesh Satyagraha. Imprisonment in Delhi's Tihar Prison.

The Leading steps in Goldsmith's Movement; Imprisonment in Akola Prison.

17 months Imprisonment at Nagpur Central Jail during emergency in 1975.

Political Life

Member for six years of Akola Municipal Committee. The Secretary, Vice President, President of Akola City, Bhartiya Jansangha, Akola.

Journalistic Responsibilities

Director of Shri Narkesari Prakashan, Nagpur (Tarun Bharat)

Editor of Sudarshan Journal at the time of ' Sangha Bandi ' in 1947

First to publish Khandelwal Community's census.

Public Honour

Coveted public honour by Akola public in the presence of R.S.S. Kendriya Adhikari, Shri Moropant Pingalein 1991.

Late Shri Shankarlalji Khandelwal

1 August 1920 - 19 January 1995

Father's Name : Shri Bhikamchand Khandelwal

Mother's Name : Smt Moharidevi Khandelwal

Occupation : Business

Founder Member

- ◆ Bhikamchand Khandelwal School, Akola.
- ◆ The Akola Urban Co-operative Bank Ltd, Akola.
- ◆ Moharidevi Khandelwal Girls' High School, Akola.
- ◆ Biharilal Bhikamchand Khandelwal Bhavan, Akola.
- ◆ Geetadevi Khandelwal Institute of Pharmacy, Akola.
- ◆ Shri Sant Tukaram Cancer Hospital, Akola.
- ◆ Khandelwal English Primary School, Akola.
- ◆ Vidarbha Vanvasi Kalyan Ashram, Madav Nagar.
- ◆ Gourakshan Sanstha, Mhaispur, Dist. Akola.

Post held in Various Institutions

- ◆ **Dist. Sanghchalak**
R.S.S. Akola.
- ◆ **President**
Radhakisan Toshniwal Ayurved College, Akola.
- ◆ **President**

Pure Moral means are always required to achieve the pure moral objectives.

- M. K. Gandhi

The very idea of serving to unprivileged and underprivileged sections of the society by catering their educational and social needs can only be contemplated by men and women of enormous generosity, magnanimity and social commitment. The City of Akola has been blessed with such a rare fortune when the people like Shri Ratanlalji Agrawal, Late Shri Bhausaheb Godbole, Late Shri Shankarlalji Khandelwal, Late Shri Bhausaheb Tople, Late Shri Mangilalji Sharma & Late Shri Vasantraoji Kasbekar hailing from exceptionally elite family backgrounds came together to found an education society : Shikshan Prasarak Mandal, Akola.

The basic aim of these people was to bring about the upliftment of people living in almost a neglected locality of Old City, Akola. They embarked on their mission in a very systematic manner, realizing the fact that the destiny of any generation can be shaped or the right values can be most effectively inculcated in them if they are nurtured at the early age. Thus starting from the cradle house, the society went on founding a series of institutions that includes Bhikamchand Khandelwal Boys High School (1959), Moharidevi Khandelwal Girls School (1972), Moharidevi Khandelwal Girls Jr. College (1975), Geetadevi Khandelwal Institute of Pharmacy (1980), Moharidevi Khandelwal Girls Jr. College (MCVC) (1990), Khandelwal English Primary School (1990) Saraswati Shishu Mandir (1991), Palna Ghar (1991), Bhikamchand Khandelwal Jr. College (2002), Kalakar Institute (2006).

Still the feeling of incompleteness was persisting in the noble minds of the institution makers and the next generation care takers like Dr. Pramilatai Tople, Shri Govindrao Pande, Shri Govardhanji Sharma, Shri Shantilal Khandelwal, Shri Gopalji Khandelwal. The Poor students aspiring to acquire college education were required to travel long distance as no senior college was available in the nearby locality. This dream was relished when Govt. of Maharashtra Permitted Shikshan Prasarak Mandal, Akola to open a senior college in locality of old city. The moment happened to be a land mark in the history of S.P.M. when it was commemorated in the memory of the great social figure and philanthropist Late Shri. Shankarlalji Khandelwal. Shankarlal Khandelwal College started functioning from 10th July 1999 with the three faculties Arts, Science, Commerce and another faculty namely Bachelor of Computer Science was introduced in the year 2000-2001.

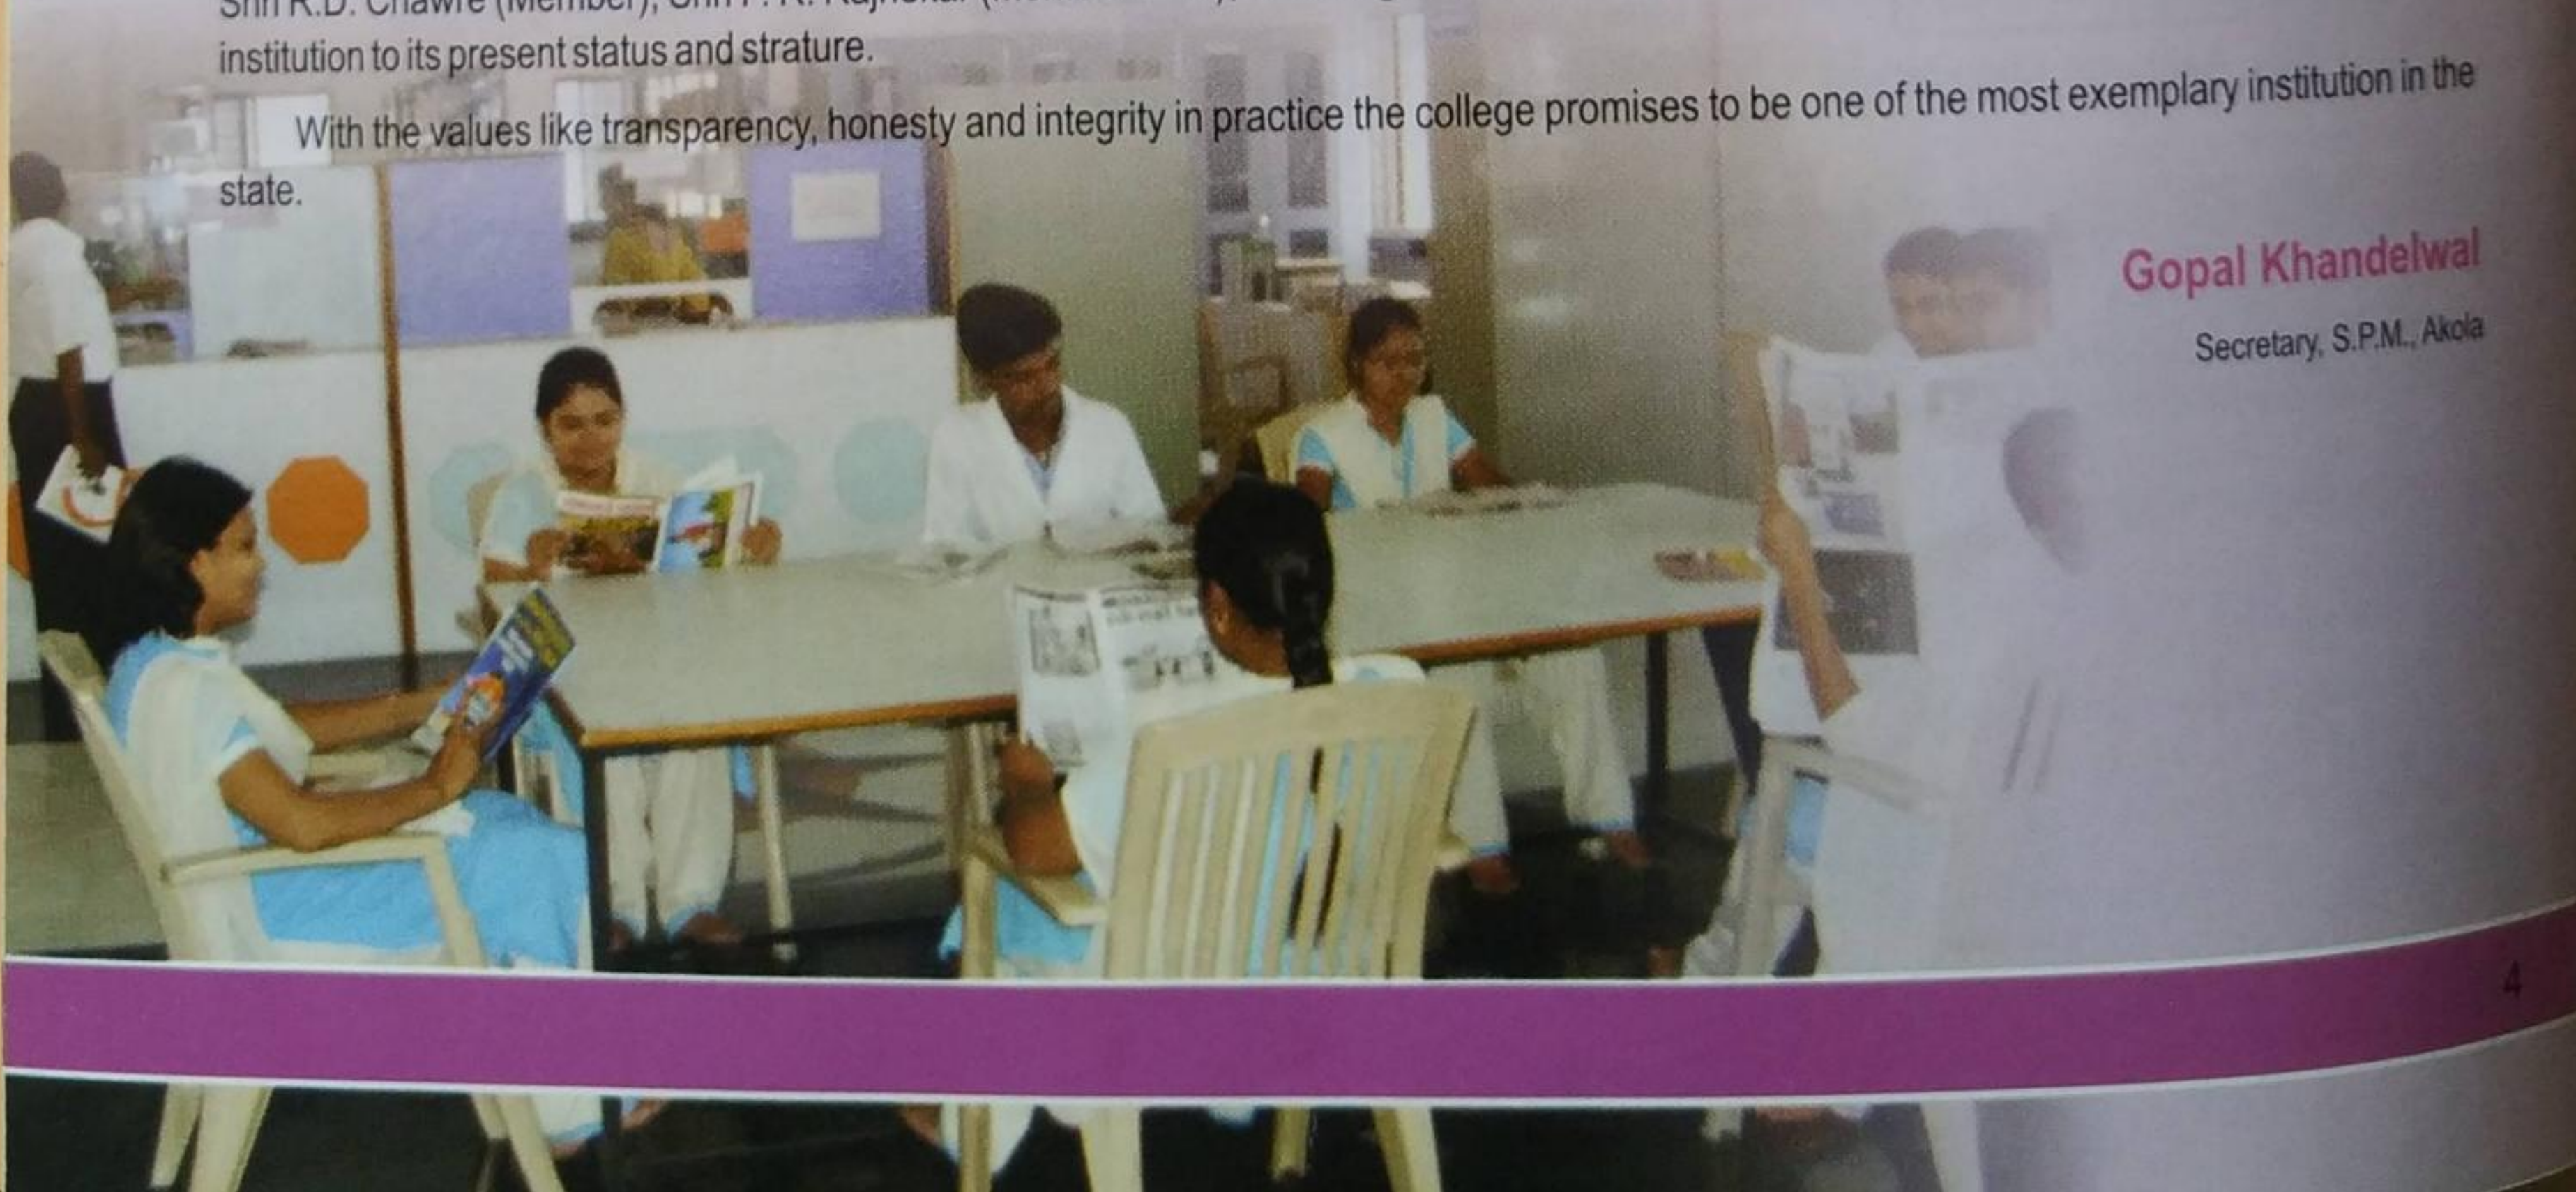

The College started P.G. Diploma Courses of Actuarial Science, Water & Soil Analysis, Bio-Informatics & Functional English from 2006 and also started career oriented courses Bio-Medical Instrumentation and communicative skills in English from 2008 and M.Sc. in Bioinformatics in 2009.

The institution has grown literally from an embryonic stage to the stage of an almost maturity within the span of just Nine years. This is an incredible achievement by any stretch of imagination. We have achieved this objective by generating funds from generous helping hands of society. The beautiful Structure of the college building has been designed by the renowned architect Shri. S.S. Ghodke from Indore. The spacious laboratories beautiful landscape of the college campus, adequately enriched library, the state of the art computer laboratory, Seminar hall, Language Laboratory are the major features of the institution.

The discipline, devotion and dedication of the eminent people of management like Shri R.K. Deshpande (President), Shri Madanlalji Khandelwal (Vice President), Dr. Taratai Hatavalane (Treasurer), Shri Govardhanji Sharma (Member), Shri Shantilalji Khandelwal (Member), Shri R.D. Chawre (Member), Shri P. R. Rajnekar (Member LMC), Teaching & Non Teaching staff, have played instrumental role in bringing the institution to its present status and strature.

With the values like transparency, honesty and integrity in practice the college promises to be one of the most exemplary institution in the state.

Gopal Khandelwal
Secretary, S.P.M., Akola

SHIKSHAN PRASARAK MANDAL, AKOLA
SHANKARLAL KHANDLWAL COLLEGE, AKOLA

Progress at a Glance

Name of Parent Society	: Shikshan Prasarak Mandal, Akola (Estd. 1958)
Establishment of College	: July 1999.
Campus Area	: 4.86 Acres.
Nature of Affiliation	: Permanently affiliated to S.G.B. Amravati University, Amravati.
University Grant Commission status	: 2(f) & 12 (b)
NAAC Accreditation	: Grade B with CGPA 2.95.
Academic Programmes	: B.A., B.Com., B.Sc. & B.C.A., B.B.A., Career Oriented Courses M.Sc. in Bioinformatics and P.G. Diploma Courses.
Motto of the College	: Education for life & life for Nation.
Aim	: Welfare of Student is the Welfare of Nation.
Salary Grant	: 100%
No. of Permanent Teachers	: 24
No. of Teachers with Ph.D.	: 10
Contributory Teachers	: 50
Website & Email	: visit us : www.khandelwalcollege.org Email : aklkrupa@dataone.in
Placement Cell	: The college has a separate Placement cell for campus interview & placements.
Alumni Association	: The College has healthy Alumni Association.
Other Highlights of the College	: 1) National Service Scheme Unit (intake 200 students) 2) Sports & Recreations Deptt. 3) Students Council Committee
The College Building Plan	: Out of 60,000 sq.ft. proposed plan, 45,000 sq.ft. work has been completed.
Highlights of the Building	: 1) Lawn of 10,000 sq. ft. 2) Labs cum Research Centers 3) Separate Sanitary Blocks
Department Facility	: 1) Computer Laboratory 2) Late Bahusaheb Godbole AV Seminar Hall 3) Advanced Physics, Microbiology, Zoology, Chemistry Lab. 4) Advance Language Laboratory.
Achievements	: 1) Ku. Maria Hirani (4th Merit in B.C.S., 05-06) 2) Sachin Patil (3rd merit in B.C.A) 3) Priyanka Agrawal (10th Merit in B.C.A., 07-08) 4) Ankita Zambad (6th Merit in B.C.A., 08-09) 5) P.G. Diploma 3 Merits (2006-07) 6) University Colour Holders - 09 7) 35 students are selected for jobs through campus interview organised by the placement cell.

Principal's Desk

Dear Students,
Best wishes to all of you !

I am privileged to welcome and congratulate you for seeking admission in this college. I assure you that you have trusted the right hands to shape your destiny in the nurturing and secured environment, because we very firmly believe that, every individual is a born genius and hone his/her talent and skills with the ethos of care.

We all here are driven and motivated by the moral goal of character building, creativity, ingenuity, virtuosity and craftsmanship of students by availing them highly conducive and academic ambience. With modest pride, I wish to state that ours is one of the rarest institutions which practices lucidity in its every transaction.

The exemplary honesty, integrity and commitment of the institution runners are an amalgam of credibility, reliability and dependability. These healthy practices will definitely impart a lesson of accountability and responsibility towards the society we all are obliged to serve. We all are vowed to do everything possible so that the students are enabled to contribute their lives to the pious art of nation building.

We try to follow that our students should have 'The courage to be impatient, and have the patience to be brave. To teach him always to have sublime faith in himself because then he will always have the sublime faith in Mankind'

As a teacher and an administrator it is my conviction that the teaching-learning process effectively takes place through active participation, involvement and commitment of an educational institution in the task of meeting our social obligation.

To develop persistent, promising and performance oriented personalities, we provide the ambience which is not divided into fragments of caste, creed and religion and with equal opportunity for the exhibition of inherent talent. With our humble resources it is our sincere endeavor to make you committed, self-reliant and nation-loving citizen of this great and noble country.

As the most honorable former president of India Shri A.P.J. Abdul Kalam visited the college and imparted his vision to us, we try and join hands in materializing his dream...

**"I have no house, only open space filled with truth, kindness, desire and dreams:
Desire to see my country developed and great, dreams to see happiness and peace abound"**

I congratulate to all those who have worked hard for the release of this beautiful prospectus.

Dr. J. M. Saboo
Principal

Courses Offered

Under Graduate Courses

Courses	Intake	Future Prospect
B.A.	88	M.A., M.S.W., Mass Communication, B.Ed., M.J., M.B.A., LL.B., U.P.S.C., M.P.S.C., Banking, Job in Govt. Sector & Private Sector.
B.Sc. (Comp.)	44	M.Sc. - Physics / Computer / Maths / Nano Technology, M.C.A., M.B.A., LL.B., U.P.S.C., M.P.S.C., Banking, Job in Govt. Sector & Private Sector.
B.Sc. (Micro.)	44	M.Sc. - Microbiology / Biotechnology / Chemistry / Bioinformatics / Zoology / Nano Technology, M.B.A., LL.B., U.P.S.C., M.P.S.C., Banking, Job in Govt. Sector & Private Sector.
B.Com.	88	M.Com., M.C.M., M.B.A., C.A., LL.B., U.P.S.C., M.P.S.C., Banking, Job in Govt. Sector & Private Sector.
B.C.A.	88	M.C.A., M.B.A., LL.B., M.Sc., M.P.S.C., Job in Govt. & I.T. Sector.
B.B.A.	88	M.B.A., LL.B., M.P.S.C., Job in Govt. & Corporate Sector.

Post Graduate Courses

Courses	Intake	Future Prospect
M.Sc. in Bioinformatics	20	Job in R. & D. of Pharmaceutical, Healthcare Industry and Private or Public Sector.
P.G. Diploma in Bioinformatics	20	Job in R. & D. of Pharmaceutical and Private or Public Sector.
P.G. Diploma in Functional English	20	Job in Call Centres, Medical Transcription, Journalist / freelancer, Language Teacher.
P.G. Diploma in Actuarial Science	20	Job in Insurance company, Financial Advisor, Private & Public Sectors.
P.G. Dip. in Water & Soil Analysis	20	Job in Municipal Corporation, Soil Testing Department, Pollution Control Board, Consultant, Private & Public Sectors.

Career Oriented Courses (Along with Graduation)

Courses	Intake	Future Prospect
Bio Medical Instrumentation	40	Job in Private & Govt. Hospitals, other medical fields.
Communicative Skill in English	40	Job in Private & Public Sector like Media House, BPO, Marketing, Banking.
Insurance & Banking	40	Job in Insurance company / Banking Sector, Private & Public Sector.

U. G. Courses

Bachelor of Arts (B.A.)

भाग १

आवश्यक विषय : इंग्रजी, मराठी / संस्कृत.

वैकल्पिक विषय : मराठी साहित्य, इंग्रजी साहित्य, संस्कृत साहित्य, अर्थशास्त्र, राज्यशास्त्र, इतिहास, समाजशास्त्र, गृहअर्थशास्त्र.

महत्वाचे : १. वरील वैकल्पिक विषयांपैकी तीन विषय विद्यार्थ्याला निवडता येतील.
२. विषयांचे गृपींग महाविद्यालयाने ठरवून दिल्या प्रमाणे राहिल. या संबंधीची सूचना प्रवेशाचे वेळी सूचना फलकावर लागेल. नामांकन अर्ज भरल्यानंतर विषय बदलता येणार नाही.

भाग २

आवश्यक विषय : इंग्रजी, मराठी / संस्कृत.

वैकल्पिक विषय : मराठी साहित्य, इंग्रजी साहित्य, संस्कृत साहित्य, अर्थशास्त्र, राज्यशास्त्र, इतिहास, पर्यावरण, समाजशास्त्र, गृहअर्थशास्त्र.

भाग ३

आवश्यक विषय : इंग्रजी, मराठी / संस्कृत.

वैकल्पिक विषय : मराठी साहित्य, इंग्रजी साहित्य, अर्थशास्त्र, राज्यशास्त्र, इतिहास, समाज शास्त्र, गृहअर्थशास्त्र, संस्कृत साहित्य.

Bachelor of Science (B.Sc.)

Part I (Computer Group)

Compulsory Subjects : 1) English 2) Marathi 3) Hindi **Optional Subjects** : 1) Physics 2) Mathematics 3) Computer Science

Contents of Computer Science

Paper I - Information Technology : Introduction to Computer, Number System, Window Operating System, MS-Word, MS-Excel, Internet
Paper II - C Programming : Programming Concept, Elements Functions, File Handling, Pointer

Part II Subjects : 1) Physics 2) Mathematics 3) Computer Science 4) Environment

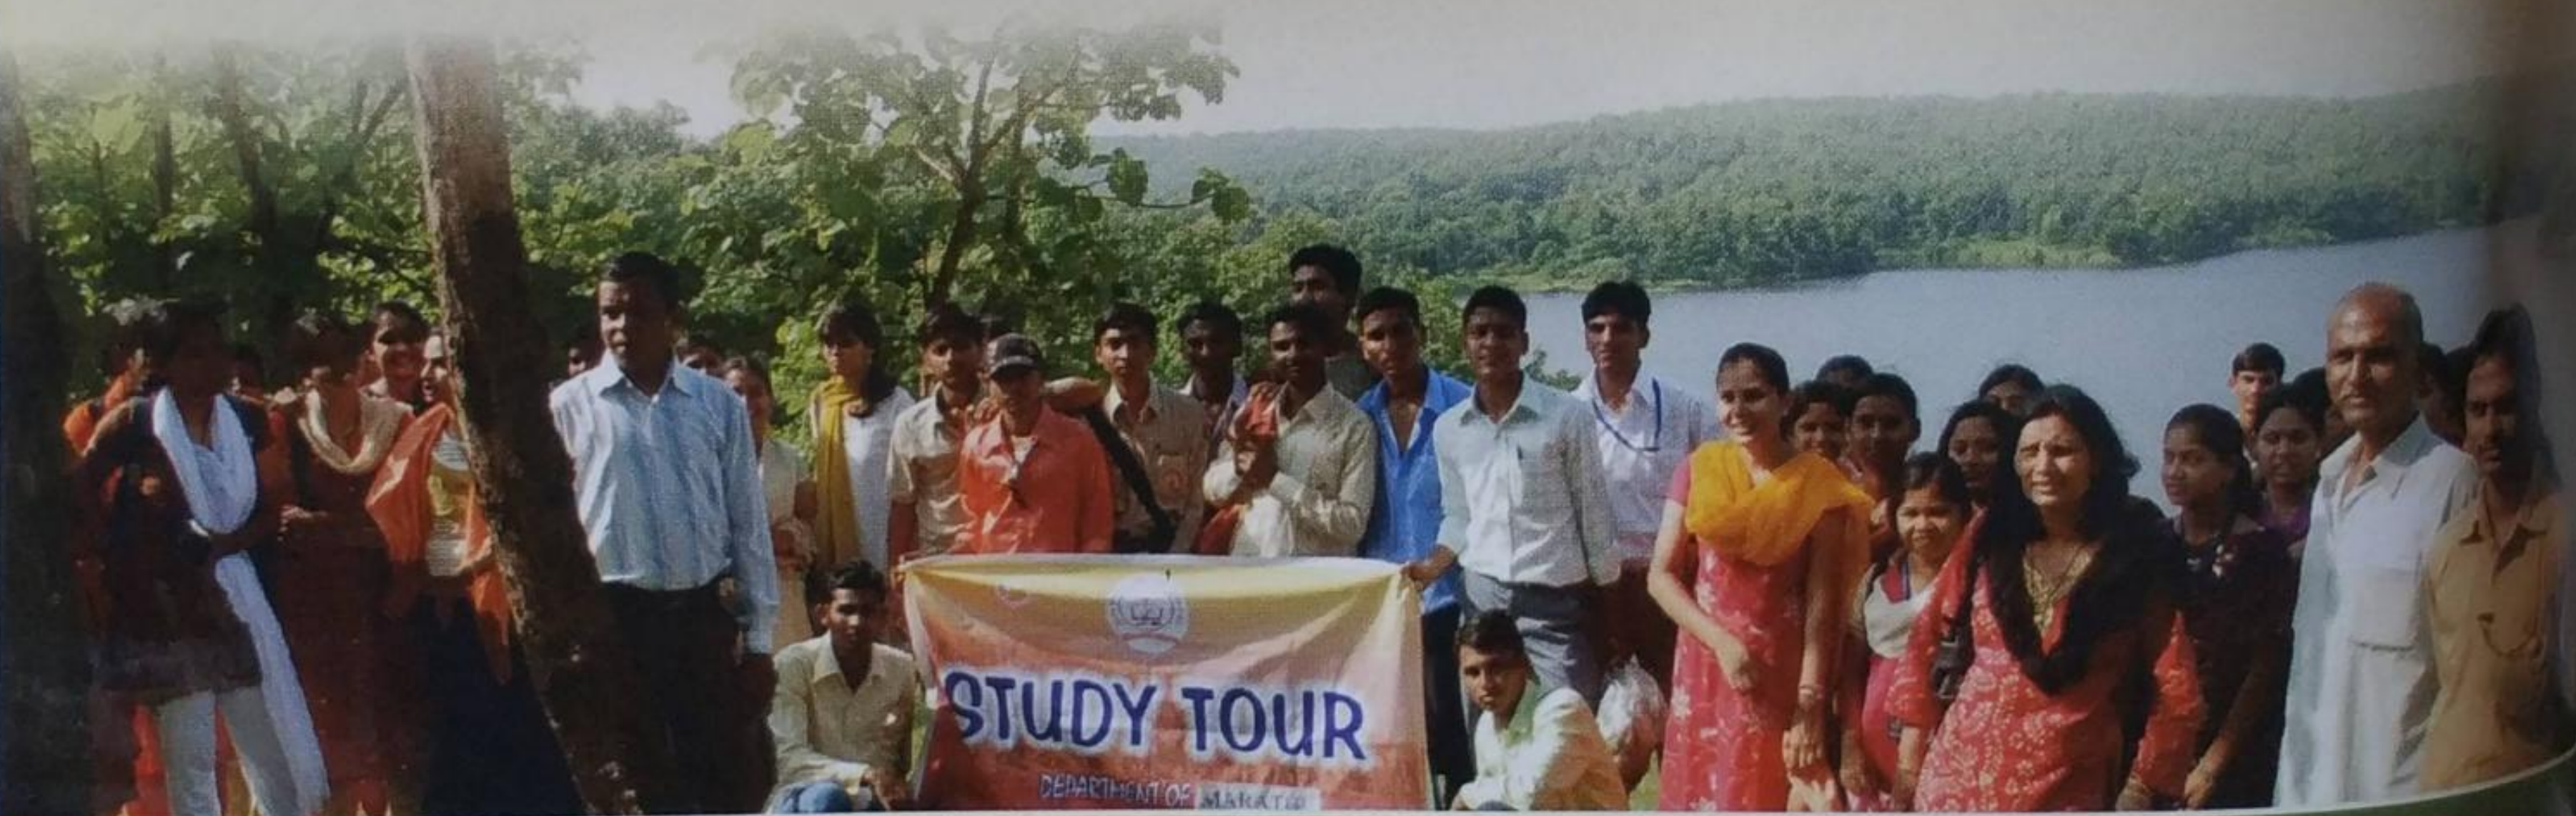

Paper III - Object Oriented Programmeing with C++ : Basic concept of OOPS, Structure of C++, Classes & Objects, Operator overloading, Constructor, Destructor, Inheritance, Polymorphism, File Handling

Paper IV - Networking and Web Designing : Network Concept, Morden Transmission, Media, LAN & WAN, OSI Model, Introduction to XML, Elements, Attributes, Entities, OTO, Schema

Part III Subjects : 1) Physics 2) Mathematics 3) Computer Science

Paper V - Relational Database Management System : Fundamentals of DBMS, RDBMS, Database Models, Relational Model, Introduction to SQL, Data types, Creating tables & Views, Operators & Conditions DDL commands, Functions, Cursor, PUSOL.

Paper VI - Visual Basic : Introduction, Programmeing Process, Event, Driven programming, VB Environment, Toolbox Controls, Creating Menus, Internal Functions, Dialogbox Controls, Working with forms, Working with Files.

U. G. Courses

Part I (Microbiology Group)

Compulsory Subject	:	1) English	2) Marathi	3) Hindi
Optional Subjects	:	1) Chemistry	2) Zoology	3) Microbiology

Part II

Subjects	:	1) Chemistry	2) Zoology	3) Microbiology	4) Environment
----------	---	--------------	------------	-----------------	----------------

Part III

Subjects	:	1) Chemistry	2) Zoology	3) Microbiology
----------	---	--------------	------------	-----------------

Bachelor of Commerce (B.Com.)

Part I

Compulsory Subjects	:	1) English	2) Marathi / Sanskrit / Hindi	3) Financial Accounting
		4) Principles of Business Management		5) Business Economics
		6) Computer Fundamental & Operating System		

Part II

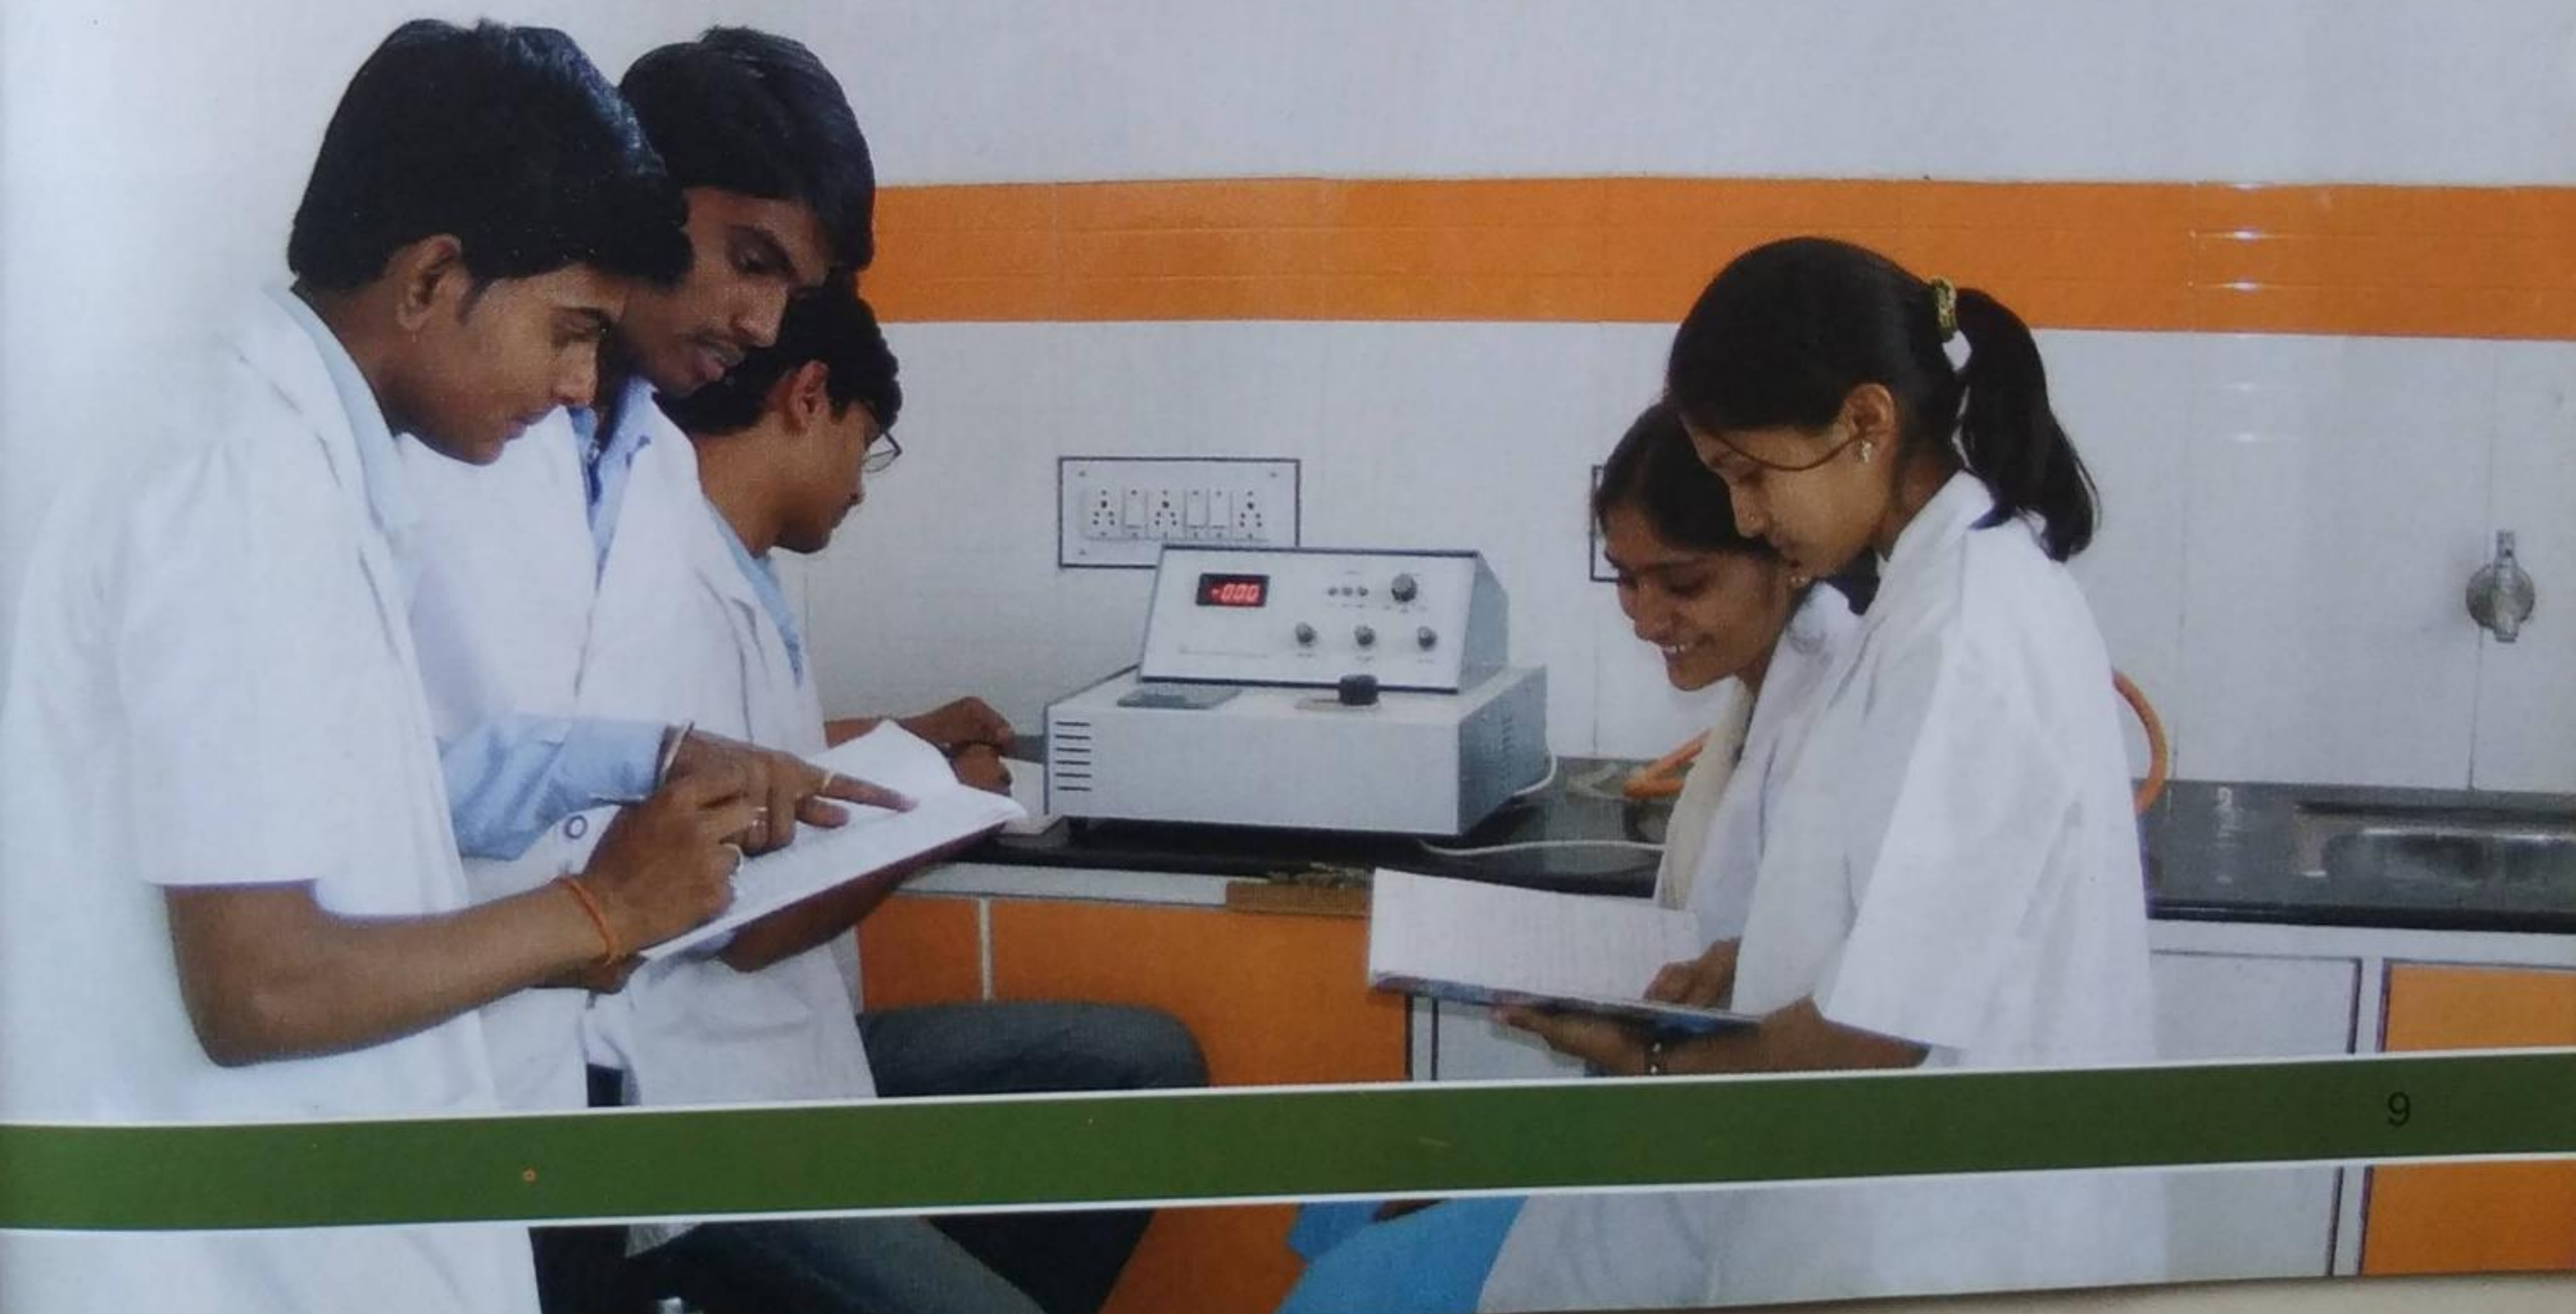

Compulsory Subjects	:	1) English	2) Marathi / Sanskrit / Hindi	3) Corporate Accounting
		4) Business Mathematics and statistics		5) Income Tax & Auditing
		6) Money & Financial System		7) Environmental
		8) Information Technology & Business Data Processing		

Part III

Compulsory Subjects	:	1) English	2) Marathi / Sanskrit / Hindi	3) Cost & Mang. Account
		4) Business Enivi.	5) Business Regulatory Framework & Company Law	

Optional Subjects	:	1) Internet and World Wide Web	2) Essentials of E-Commerce	OR
		1) Fundamentals of Insurance	2) Indian Banking System	

Note : The student must offer the same subject from optional subjects which she/he had already offered for B.Com. I Examination

U. G. Courses

Bachelor of Computer Application (B.C.A.)

The BCA department was established in 2001. This course is affiliated to S.G.B. Amravati University, Amravati. The department has well furnished class rooms with LCD projectors, air conditioned seminar hall, well-equipped library and computer lab with broadband facility. The Department also actively participates in research activities & give research projects to students. Students of BCA are placed in reputed IT Companies like IBM, Cognizent, Wipro, etc.

Part I

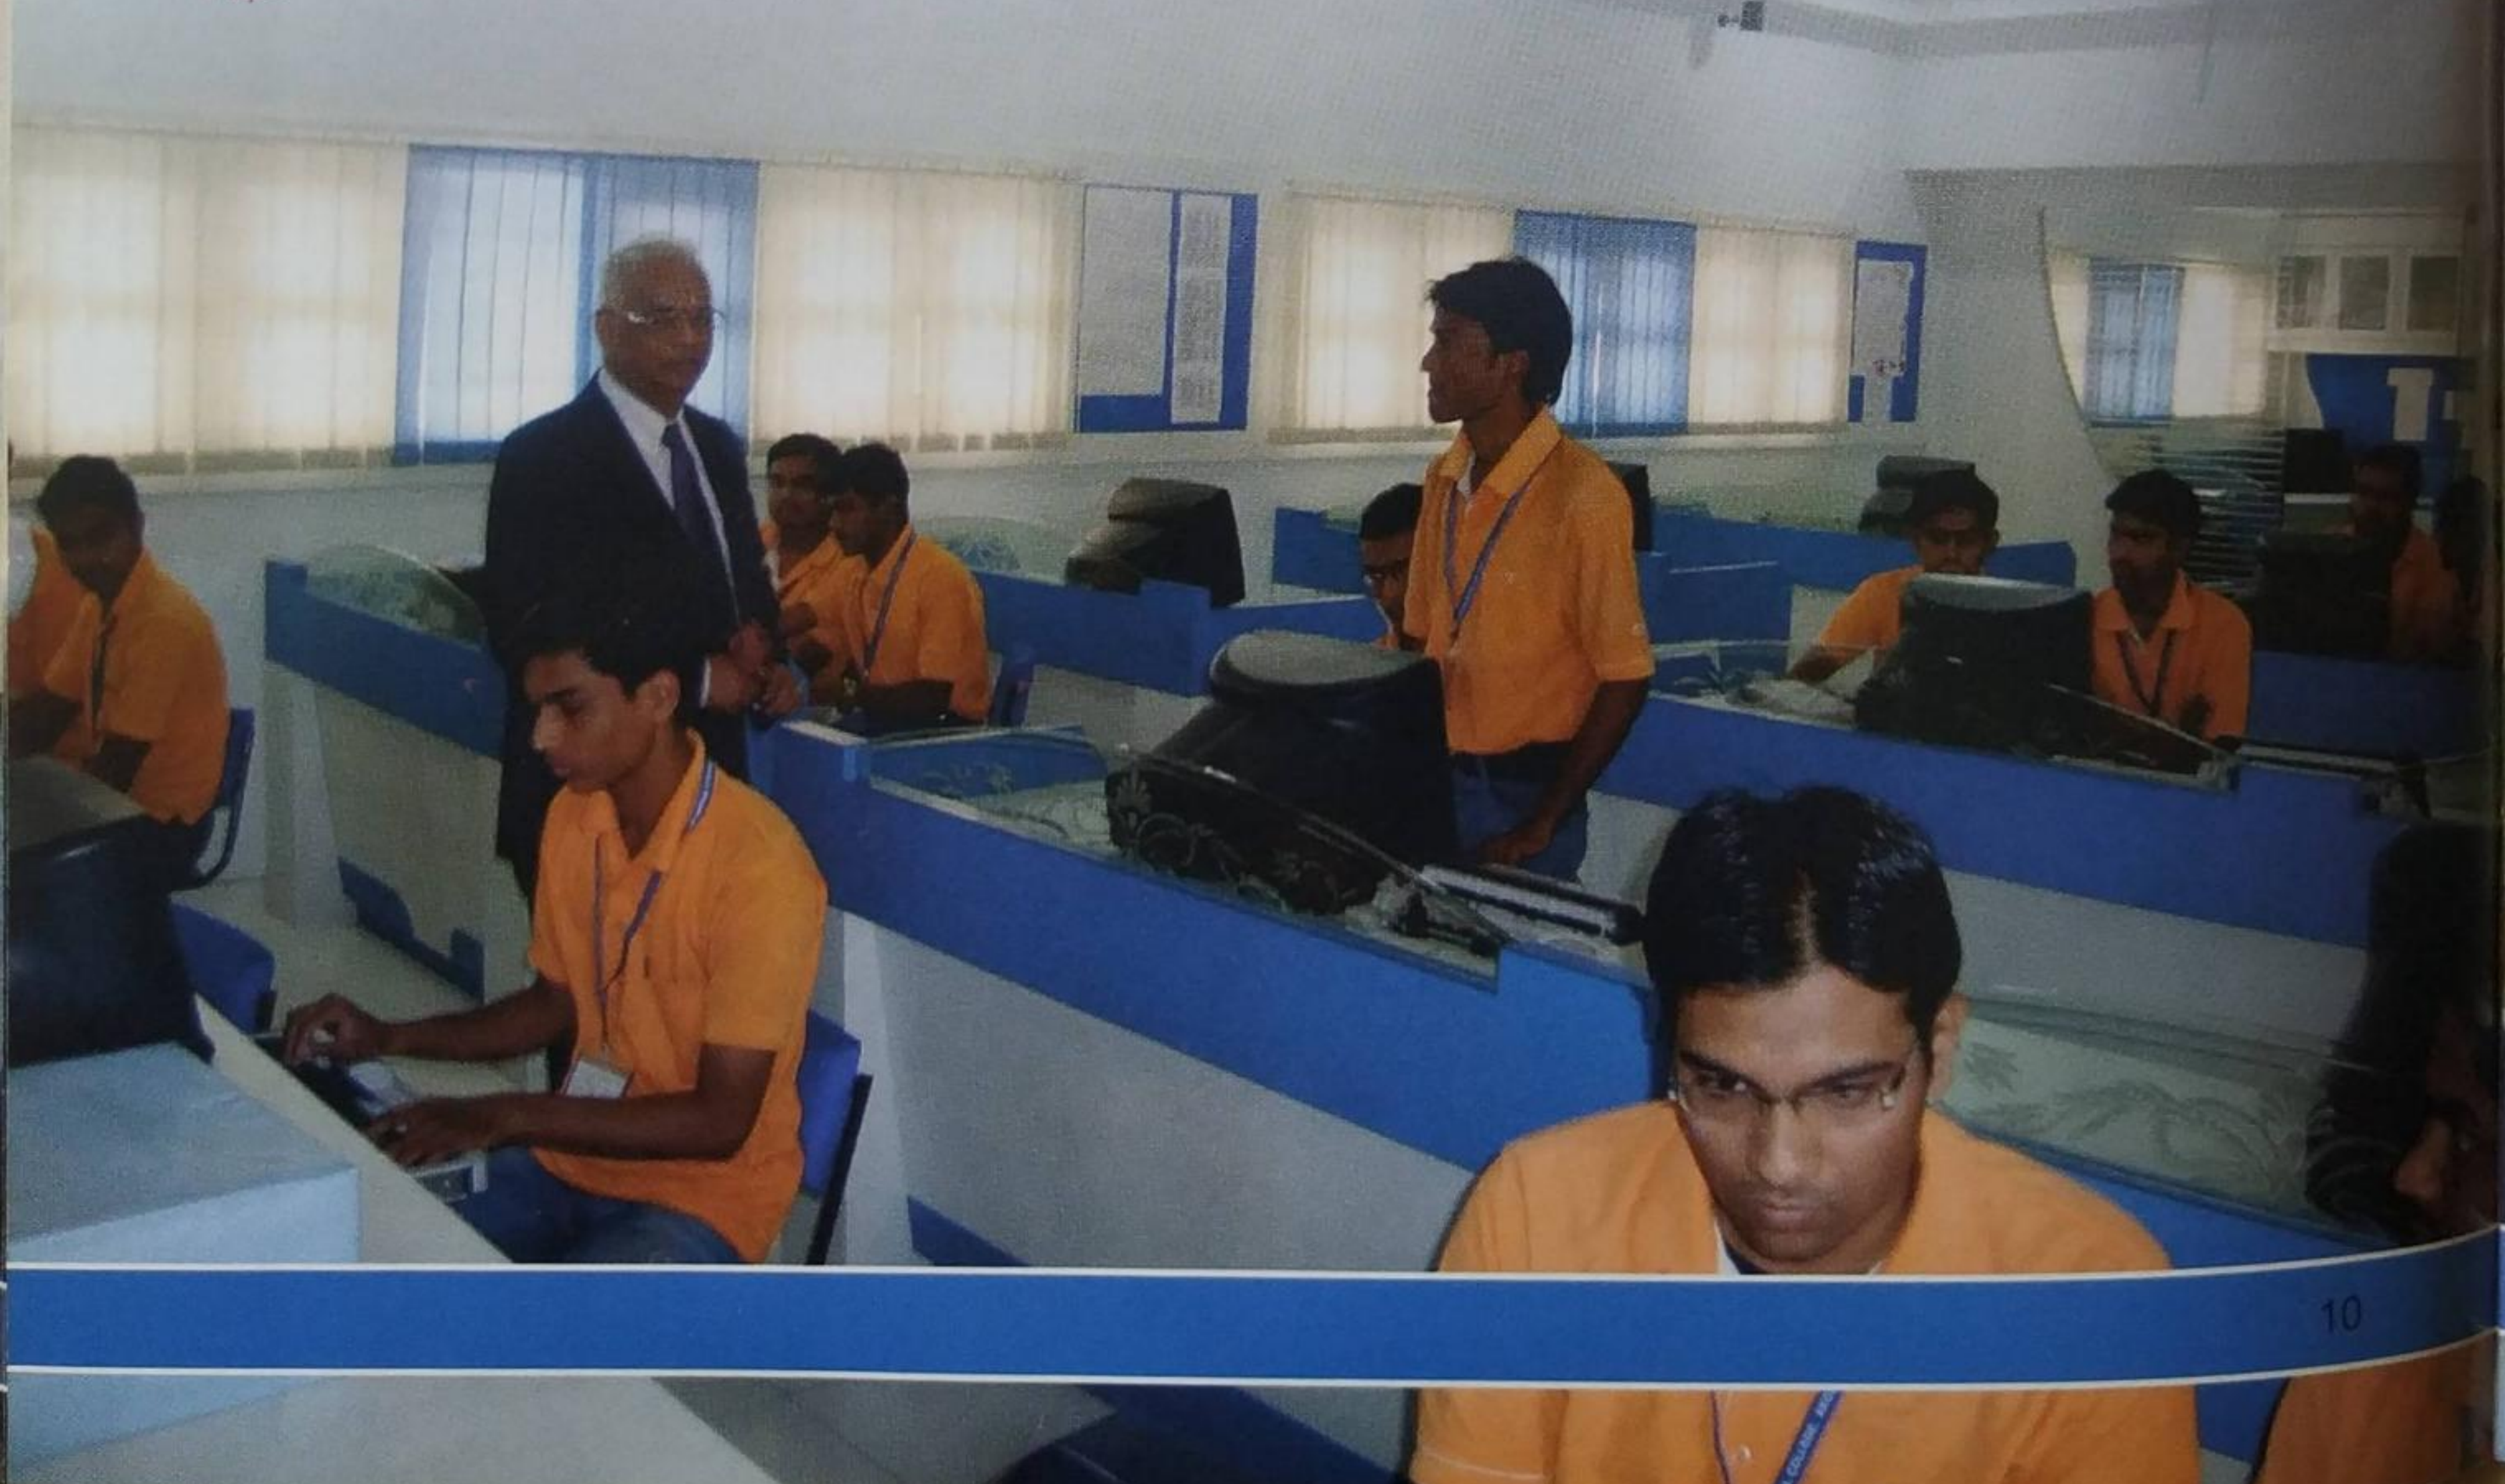

Paper	I	: Computer Fundamentals DOS (CFD)
Paper	II	: Digital Electronics (DEC)
Paper	III	: The 8086 Microprocessor (MPC)
Paper	IV	: C Programming (CPG)
Paper	V	: Numerical Methods (NMR)
Paper	VI	: Discrete Mathematics (DCT)
Paper	VII	: Communication Skills (CSK)

Part II

Paper	I	: Data Structure (DST)
Paper	II	: Programming in C++ (CPN)
Paper	III	: Data Base Management Systems (DBM)
Paper	IV	: Operating Systems (OST)
Paper	V	: SAD and MIS (MIS)
Paper	VI	: Accountancy & Financial Management (AFM)

Part III

Paper	I	: Data Communication Network (DCW)	Paper	IV	: Computer Graphics & Multimedia (CGM)
Paper	II	: Software Engineering (STE)	Paper	V	: Advanced Data Based Management Concept (ADC)
Paper	III	: Visual Basic (VIS)	Paper	VI	: Web Application Development (WAD)

U. G. Courses

Bachelor of Business Administration (B.B.A.)

The college offers Bachelor of Business Administration (BBA). The BBA programme has a broad base, cross-functional education in business, economics and information technology designed to prepare students for much needed advanced middle level leadership in both private and public sector of the national and the global economy. This course provides opportunity to students for experimental learning by narrowing down the difference between theory and practice.

Part I:

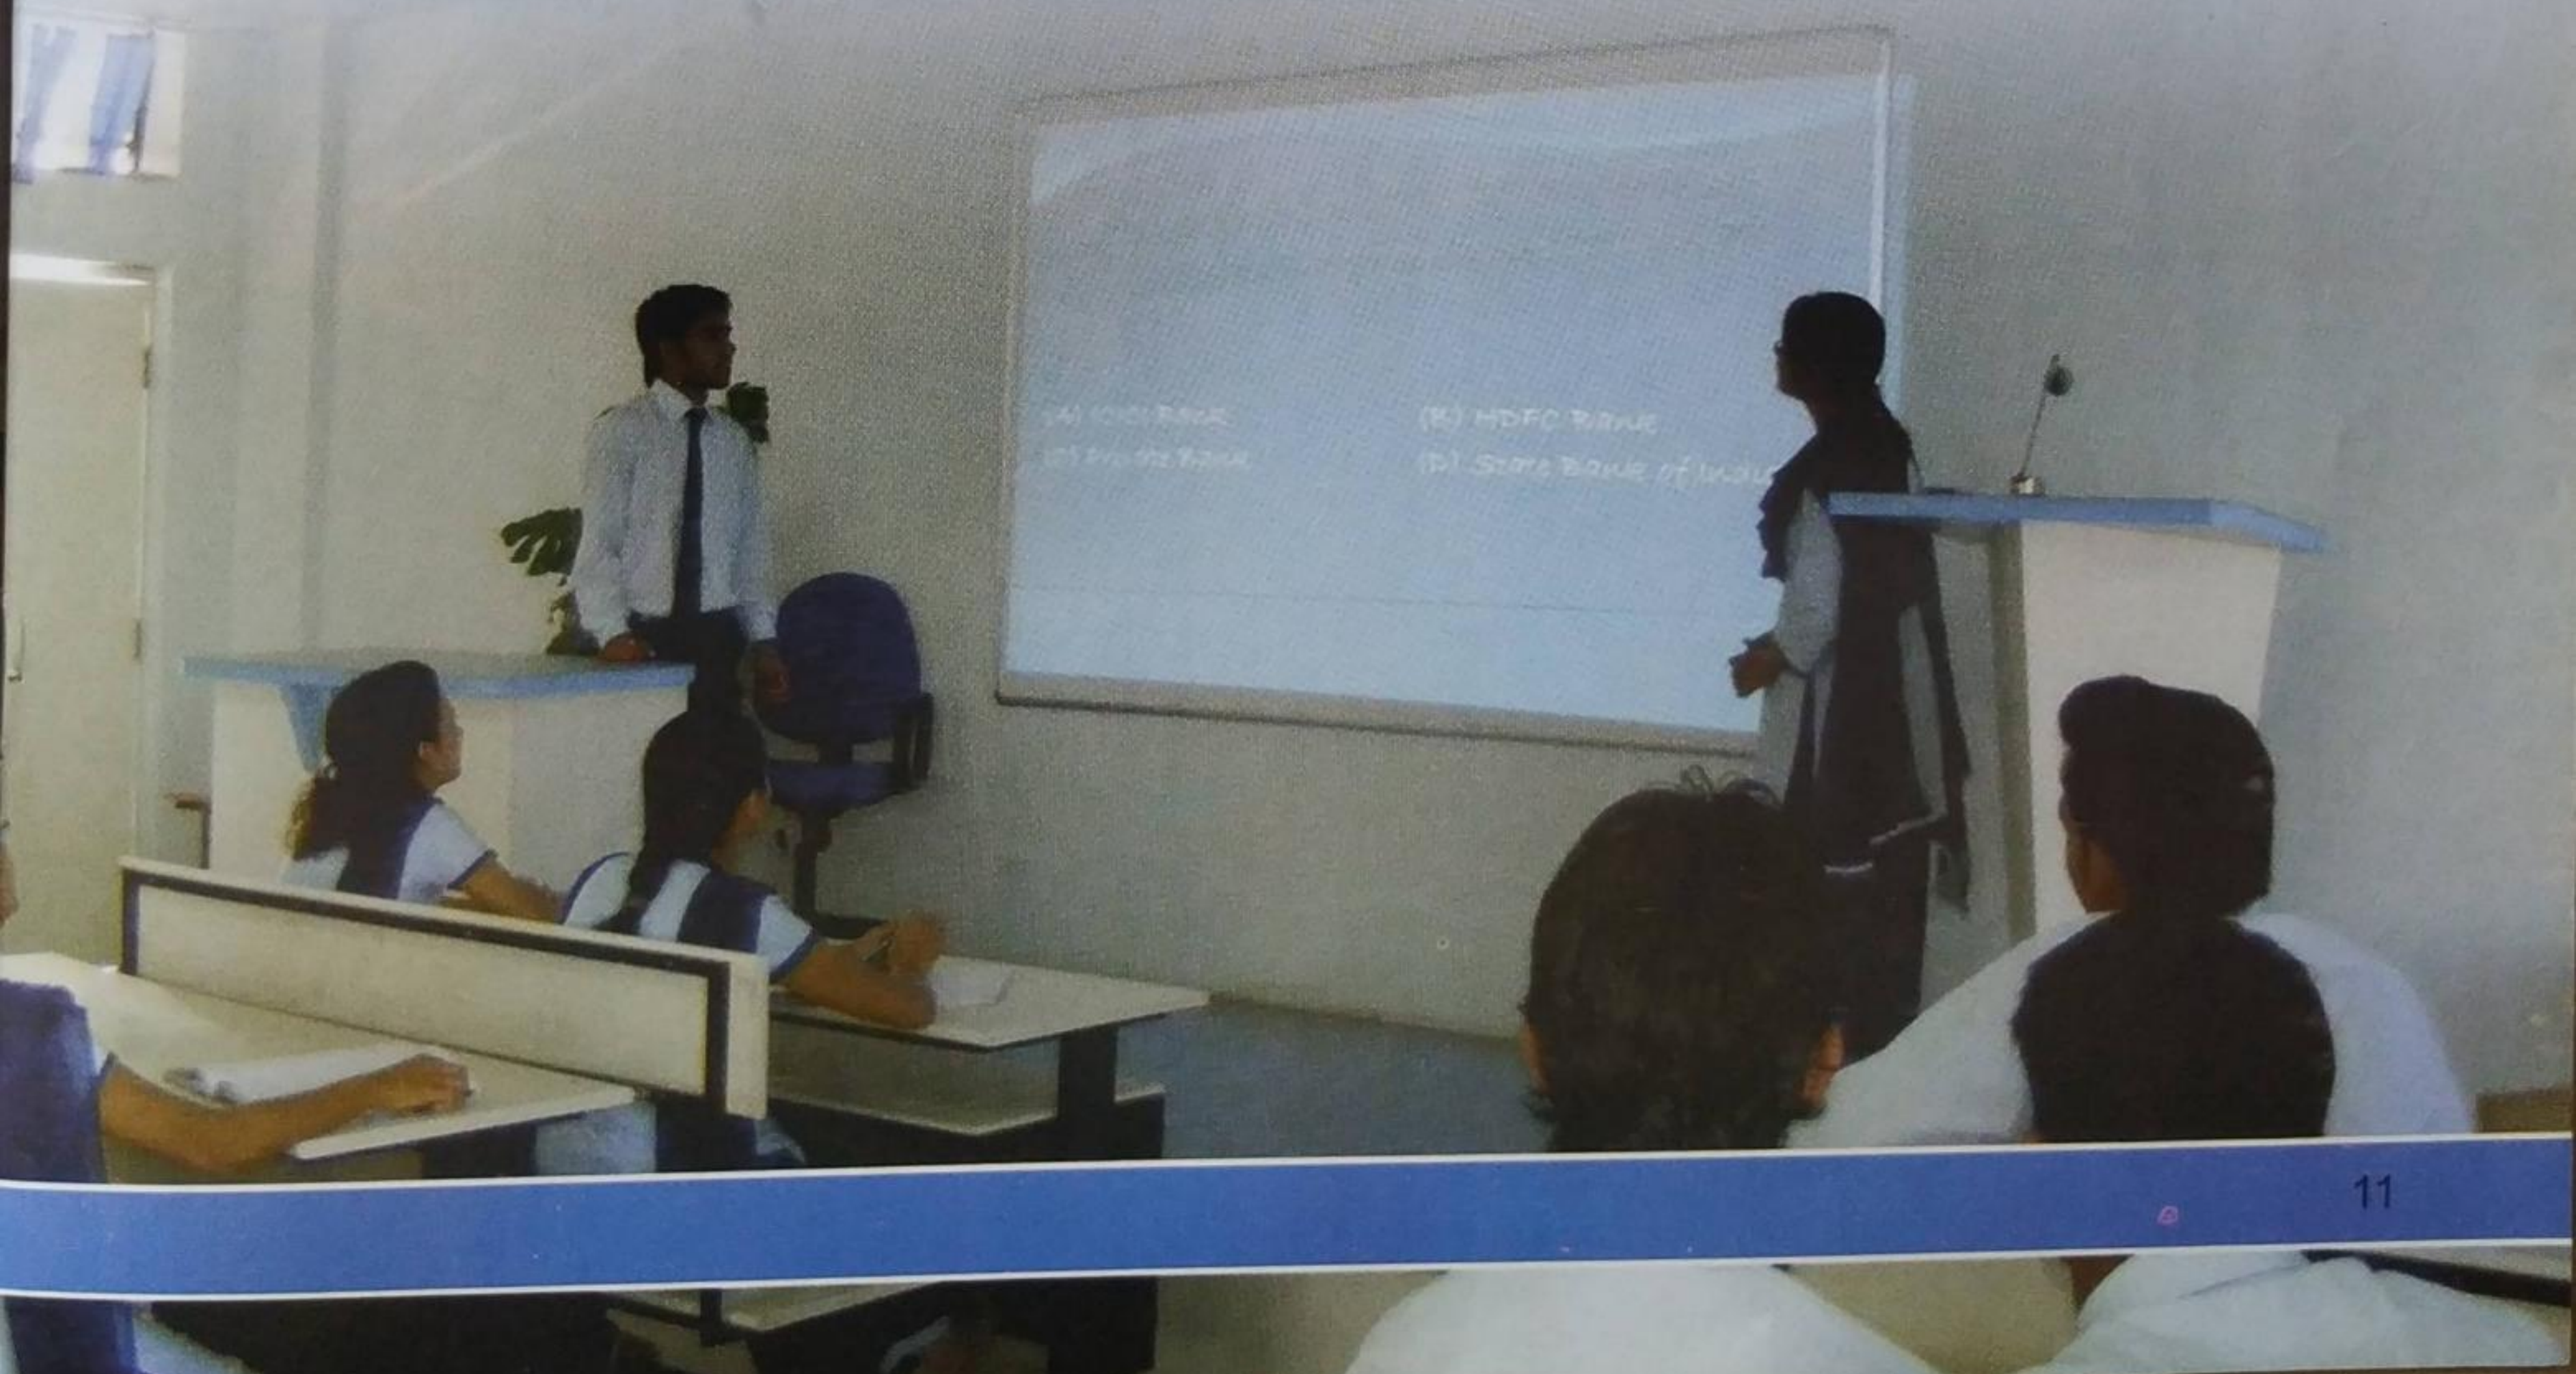

- | | | |
|--|--------------------------|--------------------------------------|
| 1) Principle of Economics | 2) Commercial Law | 3) Business Communication |
| 4) Fundamentals of Accounting | 5) Business Statistics | 6) Principles of Business Management |
| 7) Computer Fundamentals & Problem solving | 8) Business Mathematics. | |

Part II:

- | | | |
|--------------------------|--------------------------|--------------------------|
| 1) Management Accounting | 2) Marketing Management | 3) Personnel Management |
| 4) Cost Accounting | 5) Direct Tax Law | 6) Auditing |
| 7) Entrepreneurship | 8) Computer Applications | 9) Environmental Studies |

Part III:

- | | | |
|---|--------------------------|-----------------------------------|
| 1) Indian Economics | 2) Company Accounts | 3) Industrial Laws |
| 4) Company Management & Secretarial Practic | 5) Investment Management | 6) Sales & Advertising Management |
| 7) Economics & Other Legislations | 8) Business Data Process | |

P. G. Courses

M.Sc. in Bioinformatics

Bioinformatics is a multi disciplinary unique blend of life science and computer technology. It deals with the knowledge for automated management of biological data using the tools and techniques of computer science and mathematics

Duration : 2 Years

Intake Capacity : 20

Fees : Rs. 13,860/- Per Annum.

Course Content : Course Consist of 4 Semester, 4 theory papers & 2 practicals in each semester and one project in final semester.

Part I - Semester - I :

- 1) Evolution, Systematics, Diversity and Genetics
- 4) Biostatistics and Applied Mathematics

- 2) Cell and Molecular Biology
- 5) Practical I & II

- 3) Biochemistry and Biophysics

Semester - II :

- 1) Structural Biology
- 4) Networks and Distributed Computing

- 2) Computers for Biologists
- 5) Practical III & IV

- 3) Bioinformatics - I

Part II - Semester - III :

- 1) Data Structures & Programming Concepts
- 4) Bioethics and Intellectuals Property Rights & Java Programming

- 2) Physics & Chemistry for Biologists

- 3) Relational Database Management System
- 5) Practical V & VI

Semester - IV :

- 1) Applications of Bioinformatics
- 4) Molecular Modelling and Drug Design

- 2) Genomics & Proteomics
- 5) Practical VII & VIII

- 3) Bioinformatics - II
- 6) Project Work

P.G. Diploma in Bioinformatics

Duration : 1 Year

Intake Capacity : 20

Fees : Rs. 10,000/-

Course Content : Course Consist of 4 theory papers, 2 practicals and one projects

- 1) Molecular biology
- 4) Bio-computing & programmning

- 2) Biological Databases & Data banks
- 5) Practical Based on paper II & III

- 3) Drug design genetherapy & plant genomics
- 6) Practical Based on paper IV

Scope : Desirable course for recruitment of research and development in Pharmaceuticals, Healthcare, R & D, Private & Public Sector.

P. G. Courses

P.G. Diploma in Functional English

Course deals with imparting training in phonological, morphological, Lexical, Syntactic and Semantics aspects of English to enable students to acquire fluency in English for Business & Public Communication.

Course Content : Course consists of 4 theory paper of 60 marks each & 4 practical paper of 40 marks each.

- 1) Linguistic & Phonetics 2) Communication Skills 3) English Language Teaching 4) Print & Audio Visual Media

Eligibility : Graduate from any disciplines

Intake Capacity : 20

Fees : Rs. 6,000/-

Scope : Job in Call centers, Medical transcription, Language teacher, Journalist, Freelancer, Private & Public Sectors.

P.G. Diploma in water & Soil analysis

Water and soil are the two important natural resources whose analysis helps in identifying their usefulness. The course helps individual micro analyze these resources & Physico - chemical analysis for their better use & study of pollutants and their effects on soil and water quality.

Course Content : Course consist of 4 theory, 2 practicals of 75 marks each & one project of 50 marks.

- 1) Basic principle in analysis 2) Instrumentation in analysis 3) Water analysis
4) Soil analysis 5) Practical I & II 6) Project work

Eligibility : B.Sc, with Chemistry / Agriculture / B. Pharm

Intake Capacity : 20

Fees : Rs. 5,000/-

Scope : Job in Municipal Corporation, Soil Testing Department, Pollution Control Board, Consultant, Private & Public Sector.

P.G. Diploma in Actuarial Science

Actuarial Science is a growing field that deals with risk forecasting, risk evaluation and risk management, Insurance, reinsurance, calculation of gratuity, leave encasement, asset valuation. It is a science which helps to make future convenient and free from worries.

Course Content : Course consists of 4 theory papers of 80 marks each and 4 practicals of 20 marks each.

- 1) Mathematical foundation of actuarial science. 2) Interest theory, economics & finance
3) Actuaries & Insurance. 4) Investment analysis & risk Risk Management.

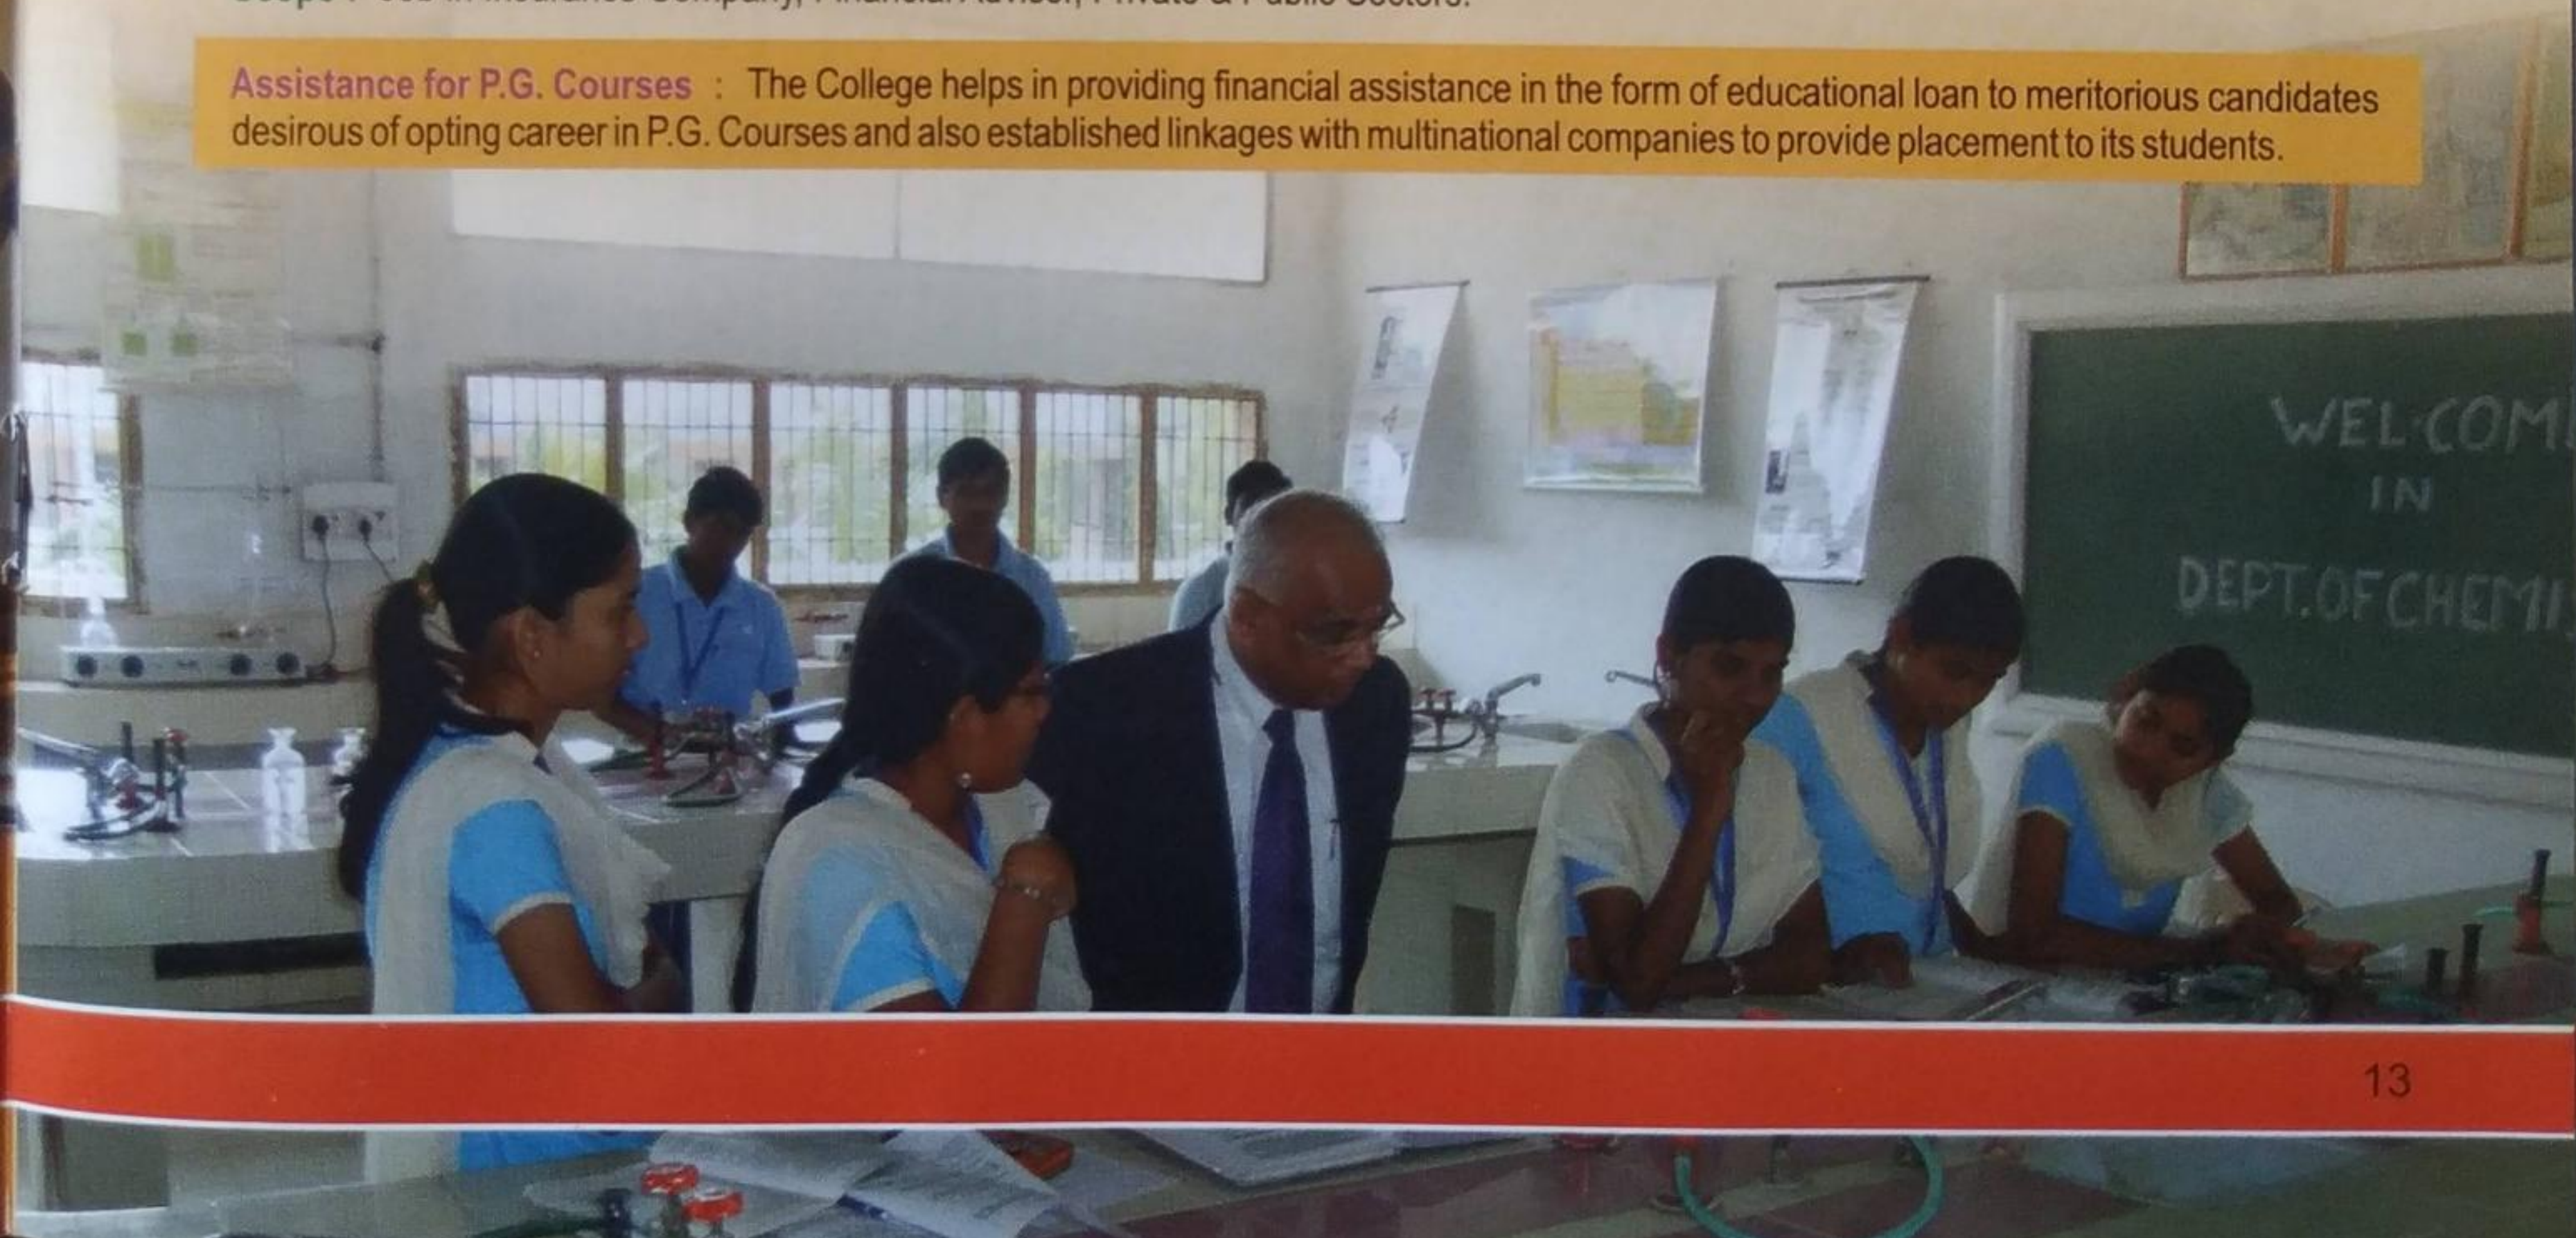

Eligibility : B.Com or B.Sc. / B.A. with Math / Statistic

Intake Capacity : 20

Fees : Rs. 15,000/-

Scope : Job in Insurance Company, Financial Advisor, Private & Public Sectors.

Assistance for P.G. Courses : The College helps in providing financial assistance in the form of educational loan to meritorious candidates desirous of opting career in P.G. Courses and also established linkages with multinational companies to provide placement to its students.

Career Oriented Programme

UGC has sanctioned career-oriented courses. These add-on courses can be opted by students along with conventional degree programmes.

Bio-Medical Instrumentation

The course contains operations, maintenance & repairer of electronic and modern instruments used by medical fraternity. This course is a concurrent course which can be done with any other degree course of science stream.

There is a three tire structure of Course

- | | | |
|---|---|-------------|
| 1) Certificate course in Bio-Medical instrumentation | - | One year. |
| 2) Diploma course in Bio-Medical instrumentations | - | Two year. |
| 3) Advanced Diploma Course in Bio-Medical instrumentation | - | Three year. |

Eligibility : H.S.C Science Pass / B.Sc. appearing

Intake Capacity : 40

Annual Fees : Rs. 1,000/-

Scope : Job in Private / Government hospitals and Medical Field.

Communication Skills in English

To develop the communicative skills of students of graduation for good Job opportunities in different sectors.

- | | | |
|---|---|-------------|
| 1) Certificate course in communicative skills in English | - | One year. |
| 2) Diploma Course in communicative skills in English | - | Two year. |
| 3) Advanced Diploma Course in communicative skills in English | - | Three year. |

Eligibility : Graduation appearing

Intake Capacity : 40

Annual Fees : Rs. 1,000/-

Scope : Job in Media house, BPO, Marketing, Private & Public Sector.

Insurance & Banking

Insurance & Banking is gaining a very extensive recognition both in private and public sector in business world. This course aims to equip students with the in-depth knowledge and best practices that are essential for working in the Banking and Insurance industry.

- | | | |
|---|---|-------------|
| 1) Certificate course in Insurance & Banking | - | One year. |
| 2) Diploma Course in Insurance & Banking | - | Two year. |
| 3) Advanced Diploma Course in Insurance & Banking | - | Three year. |

Eligibility : B.Com. appearing

Intake Capacity : 40

Annual Fees : Rs. 1,000/-

Scope : Job in Insurance company / Banking Sector, Private & Public Sector.

Facilities

Library

Library is being run in a well furnished and well face lifted new building. It has a stock 6510 books. It consists of study books, reference books, various periodicals, encyclopedias, newspapers, magazines and different subject wise online collection of C.D.s

Students should collect the library card at the time of admission or before Diwali vacation.

It is necessary to show admission receipt & identity card at the time of collection of library card.

Students will get one book at a time and will have to return it within 8 days, otherwise he/she will have to pay fine of Rs. 1/- per day per book till it is returned to library.

At the time of receiving the library book, students should check the book, whether it is in good condition or not. At the time of return, if it is not in proper condition or lost, he/she will have to submit new copy of the same book.

Laboratories

Laboratories are essential pre-requisites for a good scientific teaching and as such all our laboratories are well equipped and maintained. We have advanced and well furnished Computer, Physics, Electronics, Chemistry, Microbiology, Zoology and Home Economics laboratories.

Students should handle laboratory equipments, chemicals under the guidance of concerning Professor / Lab Attendent

Students should clean the things/equipments after their use/ experiment. If the student breaks/damages the equipments in the laboratory, he/she will have to pay their current prize.

Seminar Hall (Late, Bahusaheb Godbole Sabhagruha)

The college has well furnished Audio Visual Theater to provide facilities to the students for seminar, conferences, guest lectures with VCD, LCD systems to present various socio - scientific events and personalities

Sports

The college has large playground and we provide well equipped facilities for indoor as well as outdoor games. The college team participates in various University, State and National Level Competitions. Yoga and meditation camp for all students are regulary organised.

Placement & Employment Guidance Cell

Our aim is to prepare students to face future challenges. The college has a separate placement cell for the students to provide the job opportunities at campus level. Campus interview is the most important denominator of all the activities of placement cell. Companies like TMI First Ltd. Hydrabad, IDEACellular, Apex Labs, LIC, Cipla have participated in Campus Interview conducted by Placement Cell.

Alumni Association

To ensure that you stay close to us, we have formed an Alumni Association. This association is of the ex-students of Shankarlal Khandelwal College meet every year on 25th December & share pleasant memories of their college days.
