Principal 's Desk...

I welcome you all dear students on behalf of Shankarlal Khandelwal College, Akola. At the very outset, I would like to introduce our college to you. The college is run by Shikshan Prasarak Mandal, Akola which was started in 1958 with aim of catering the needs of unprivileged and under-privileged sect of the society from socio-economically backward area of the city. The main aim of the society is to provide value based education with quality. The college has three streams viz Arts, Commerce & Science i.e. B.A, B.Com. and B.Sc. In addition to it, the college runs courses like B.C.A., B.B.A. and certificate courses to fulfill the professional need of the society. Besides this, for over all development of the students, we run the activities like NSS/NCC/Sport/ Cultural programme, Vivekanand Study Centre, etc.

The college also has P.G. Degree courses like M.A. English, M.Sc. (Chemistry), M.Sc. (Bioinformatics) to fulfill the needs of students for post graduation. With U.G.C.'s assistance, the college runs some skill based courses like Biomedical Instrumentation, Communication Skills in English & Banking and Insurance, For all round development of students, the college runs the U.G.C. schemes like SC, ST coaching centre, Entry in services cell, Equal opportunities centre, Network resources centre, etc. The college has also made available 'Women Hostel' facility and sport facility to students along with well furnished Gymkhana Services. Thus, college leaves no stone unturned to make different Govt. schemes available to the student fraternity.

Last but not the least, I would like to mention here that the college is permanently affiliated to Sant Gadge Baba Amaravati University, Amravati and has 2(f) & 12 (B) status of U.G.C. Besides this, the college is NAAC re-accredited with B grade CGPA 2.88 in second cycle.

Lastly I would like to appeal you to join us in this humble task of Nation building with humble motto of 'Education for life and Life for Nation'. I assure you that we together will definitely achieve the goals you aim and fly high on the horizon of this great democracy!

Communication Skill (1ST6)

Semester - II

Operating System (2ST1)
Advanced C (2ST2)
Digital Techniques - II (2ST3)
Numerical Methods (2ST4)
Discrete Mathematics (2ST5)
Communication Skill (2ST6)

Part II - Semester - III

Paper I : Data Structure (DST)
Paper II : Oop's with C++
Paper III : Data Base Management Systems (DBMS)
Paper IV : Advanced Operating Systems (OST)
Paper V : Electronics

Part II - Semester - IV

Paper I : SAD & MIS
Paper II : VB
Paper III : Web Designing
Paper IV : Networking
Paper V : Advanced Micro Procesors.

Part II - Semester - V

Paper I : Core Java
Paper II : Network Security
Paper III : Software Engineering
Paper IV : Computer Graphics
Paper V : E-Commerce

Part II - Semester - VI

Paper I : ASP.NET
Paper II : Client Server Technology
Paper III : Multimedia & Its Application
Paper IV : Software Testing
Paper V : Advance DBMS
Paper VI : Project Work

■ Bachelor of Business Administration (B.B.A.)

The college offers Bachelor of Business Administration (BBA) . The BBA programme has a broad base, cross-functional education in business, economics and information technology designed to prepare students for much needed advanced middle level leadership in both private and public sector of the national and the global economy. Duration : 2 Years

Intake Capacity : 40

Course Content : Course Consist of 4 papers in each year.

■ M.Sc. in Chemistry

M.Sc. Chemistry is vital in pharma, drug, dyes & paint industries. M.Sc. Chemistry is a prominent subject for the jobs in the current era. The curriculum of the course can meet the need of industrial sector.

Duration : 2 Years

Intake Capacity : 20

Course Content : Course Consist of 4 Semester, 4 theory papers & 2 practicals in each semester and one project in final semester.

Part I - Semester - I :

- | | | |
|-----------------------------------|----------------------|-----------------------|
| 1) Inorganic Chemistry | 2) Organic Chemistry | 3) Physical Chemistry |
| 4) Modern methods of separations. | 5) Practical I & II | |

Semester - II :

- | | | |
|--|-------------------------|--------------------------|
| 1) Co-ordination Chemistry | 2) Organic Chemistry II | 3) Physical Chemistry II |
| 4) Optic Methods and Environmental Chemistry | 5) Practical III & IV | |

Part II - Semester - III :

- | | | |
|--|--|---------------------|
| 1) Spectroscopy | 2) Analytical Chemistry (Thermal & Electroanalytical Method) | |
| 3) Organic Chemistry (Organic Synthesis I) | 4) Organic Chemistry (Natural Product) | 5) Practical V & VI |

Semester - IV :

- | | | |
|---|--------------------------------------|---|
| 1) Spectroscopy II | 2) General Analytical Chemistry | 3) Organic Chemistry (Organic Synthesis II) |
| 4) Organic Chemistry (Natural Product II) | 5) Practical VII & VIII Project Work | |

■ M.Sc. in Bioinformatics

Bioinformatics is a multi disciplinary unique blend of life science and computer technology. It deals with the knowledge for automated management of biological data using the tools and techniques of computer science and statistical science.

Duration : 2 Years

Intake Capacity : 20

Course Content : Course Consist of 4 Semesters, 4 theory papers & 2 practicals in each semester and one project in final semester.

Part I - Semester - I :

- | | | |
|---|-------------------------------|--------------------------------|
| 1) Evolution, Systematics, Diversity and Genetics | 2) Cell and Molecular Biology | 3) Biochemistry and Biophysics |
| 4) Biostatistics and Applied Mathematics | 5) Practical I & II | |

Semester - II :

- | | | |
|---------------------------------------|-----------------------------|-----------------------|
| 1) Structural Biology | 2) Computers for Biologists | 3) Bioinformatics - I |
| 4) Networks and Distributed Computing | 5) Practical III & IV | |

Part II - Semester - III :

- | | | |
|---|---------------------------------------|-----------------------------------|
| 1) Data Structures & Programming Concepts System | 2) Physics & Chemistry for Biologists | 3) Relational Database Management |
| 4) Bioethics and Intellectuals Property Rights & Java Programming | | 5) Practical V & VI |

Semester - IV :

- | | | |
|--|--------------------------|------------------------|
| 1) Applications of Bioinformatics | 2) Genomics & Proteomics | 3) Bioinformatics - II |
| 4) Molecular Modelling and Drug Design | 5) Practical VII & VIII | 6) Project Work |

UGC has sanctioned some career-oriented courses. These add-on courses can be opted by the students along with conventional degree programmes.

■ Biomedical Instrumentation

The course contains operations and maintenance of medical devices. This course is a concurrent course which can be done with any other degree course of science stream.

There is a three tier structure of Course

- | | |
|--|---------------|
| 1) Certificate course in Biomedical instrumentation | - One year. |
| 2) Diploma course in Biomedical instrumentations | - Two year. |
| 3) Advanced Diploma Course in Biomedical instrumentation | - Three year. |

Eligibility : H.S.C Science Pass / B.Sc. appearing

Intake Capacity : 40

Scope : Jobs in Private / Government hospitals and Medical Field.

■ Communication Skills in English

To develop the communicative skills of students of graduation for good Job opportunities in different sectors.

- | | |
|---|---------------------------|
| 1) Certificate course in communicative skills in English | - I year of graduation. |
| 2) Diploma Course in communicative skills in English | - II year of graduation. |
| 3) Advanced Diploma Course in communicative skills in English | - III year of graduation. |

Eligibility : Graduation appearing

Intake Capacity : 40

Scope : Jobs in Media houses, Journalism, Radio Jockey, Call Centre, BPO, Marketing, Private & Public Sector. Excellent communication skills are required for each and every job.

■ Insurance & Banking

Insurance & Banking is gaining a very extensive recognition both in private and public sector in business world. This course aims to equip students with the in-depth knowledge and best practices that are essential for working in the Banking and Insurance industry.

- | | |
|---|---------------|
| 1) Certificate course in Insurance & Banking | - One year. |

■ Sports

"Sports is human life in microcosm" Our students have achieved good positions in the realms of sports. We have an independent Department of Sports to develop the sportsman spirit and liking towards different sports. Various sports facilities are made available. A Special Gymkhana service is also in place for faculty and students. Every year our sportsmen grab colour coats in different sports. We organise various sports events around the year and even university level matches and tournaments are also arranged.

■ Library

A Library is the 'Brain' of an institution, thus, we have state of the art library which caters the intellectual needs of our students and staff. A well stocked and well furnished library has various e - resources, Journals, Periodicals, etc. It has multimedia resources too, like audio and visual CDs and digital dictionaries. The total number of books in the library is over 15000 along with Network resource Centre, OPAC and SOUL software. For faculties it provides INFLIBNET service as well. Various books for competitive exams like M.P.S.C. and U.P.S.C. Bibliographic and reference books apart from the textbooks, Reprographic service are the main features of the library.

■ Laboratories

We have state of the art laboratories for various subjects to boost up the research and development in the college and imbibe scientific research attitude amongst the students of UG & PG Courses. These Laboratories are equipped with latest equipments and technologies like PC based Double Beamed Spectrophotometer, Trainacular Stereozone Microscope, Centrifuge Machine, Muffel Furnace, Universal Hot Air Oven, 4 Probe Instruments etc. The Microbiology Laboratory is authorised & recommended Laboratory for Doctoral Research.

■ Alumni Association

We look back with pride to our jewels through the Alumni Association. It functions to maintain liaison with our students and to invite them to their alma mater every year. A separate cell is dedicated for this which enables the students to meet once in a year to promote and foster mutually beneficial interaction between the alumni, management and present students. These jewels are our true treasure which is shining brightly in various sectors & fields. Alumni and parents interaction is also in place. A state level Elocution competition 'SPANDAN' is organized every year where orators from all over the state participate.

■ College Magazine : 'Emerging India'

We provide a forum for students in the form of a college magazine to develop a creative and analytical mind. It encourages students' talent to write poems, short stories & articles on various current topics. The magazine is published annually.

Amenities...

■ Exam and Evaluation

The backbone of any educational institution is examination and evaluation process. Fair examination and evaluation goes a long way in the career of a student. We conduct regular Unit Tests, College Tests with fair & transparent evaluation. Besides various Class Tests, Surprise Tests, objective and Open book tests are also conducted. Every year we award a Scholarship of Rs. 750/- per month along with many other scholarships. This is given to the student who stands first in the college exam across all the disciplines. These scholarships inspire them and motivate them for excellence in education.

- | | | | |
|-----------------------|------------------------------|---------------------------------------|---------------------------------------|
| 1) N.S.S. | 2) Faculty wise Exhibitions. | 3) Poster Competition. | 4) Industrial Visit. |
| 5) Educational Tours. | 6) Cultural Activities. | 7) Sahitya Kala Mandal Wall Magazine. | 8) Personality Development Programme. |

■ Women's Hostel

Home Away from Home! We are offering Women's Hostel Facility to the students who seek admission to granted courses. Girl students from U G courses are provided with the hostel facility. The enrolled girl students of our college are eligible for admission in the hostel. The admissions take place on state government reservation criteria and merit basis. The intake capacity is 30 students.

■ Placement & Employment Guidance Cell

Along with the academic and administrative processes in a college, Career and Counseling Cell has been formulated every year to address the diverse socio-economic challenges and geographic backgrounds of the heterogeneous population of students. Career and Counseling Cell would help the students with appropriate guidance to establish linkages with the world of work and locate career opportunities. The college has a separate placement cell for the employment of the students in various organizations and companies of repute. The cell conducts the aptitude test of the students to identify their abilities and interests. The cell communicates with various companies for the campus interviews in the college. Till date more than 30 companies have conducted the campus interviews in the college premises and number of students have been placed in various companies and have been selected for the final interview. The cell had also organized an "Education-Industry Interface" to seek the advice from the company officials and also make the students aware about the current trends in the corporate sector. Special attention for SC/ ST/ OBC/ Minorities students is given for entry in services. Various guest lectures, seminars and workshops are organized.

■ Study Clubs

In order to update and equip with the current knowledge in various subjects/ streams study clubs are formed. For instance, Science Study Club, Social Sciences Study Club, Languages and Literature study Club, etc. Through these study clubs students run various activities like wall paper magazine, guest lectures, elocution competitions, group discussions, etc.

A WORD OF ADVICE TO OUR STUDENTS

- 1) Remember you are laying the foundation of your career and shaping your personality by what you think, speak and do in the college.
- 2) You should cultivate such habits which will keep you physically fit and mentally alert
- 3) Do not cultivate friendship with undesirable contemporaries for you are known by the company you keep.
- 4) Be honest, upright and straight forward in your dealings.
- 5) Have respect for all your classmates and other college students. Remember all students are equal in the college. Be respectful to lady students in your class, treating them as your sisters.
- 6) If you are intelligent, let your classmate be benefitted by your intelligence.
- 7) Study regularly and earnestly right from the very beginning of the session. Study yourself, consult your teachers for solving difficulties in study, if you have any.
- 8) Take down as much of what your teachers write on the board. While studying at home do enough written work as writing makes your ideas clear and prepares you to take examination with confidence. Try to complete your practical record book in the class itself as far as possible.
- 9) Pay full attention to what the teacher delivers in the class, study all the topics given in the syllabus and do not make selective study as this leads to frustration in the examination. See if you can write answers to questions asked in at least three years university examinations.
- 10) Do the home assignments regularly, seriously and independently and take monthly and test examination seriously so that success in the university examination is guaranteed.
- 11) Utilize every minute of your leisure well. Always use polite language.
- 12) Attend all college functions arranged for you.
- 13) In your words, writing and actions, show highest respect for your teachers and the college staff. Learn to live for others. Develop good personality.
- 14) Look after the safety of your things yourself so that you have no occasion to complain for the loss of personal property.
- 15) Follow dress code, wear neat and clean uniform. Your dress is a clue of your training at home and of personality.
- 16) Seek every opportunity to render social service and develop your personality.

Vision

We strongly believe in molding students into ideal, responsible and productive citizens dedicated to Nation. While imparting need based education, we enrich core values like nationality, honesty, quality, rule following and cleanliness. The same, we cherish through our aims and objectives.

Mission

Establishment and function of the college are aimed at achieving national goal. This is not a mere act of social service, rather a task dedicated towards a national duty. We believe that proper education can develop cultured, intellectual, self-reliant students committed for nation. Keeping students at focal point, the institute chalks out its policies. The institution has a firm belief that students have tremendous potential. If it is channelized in right direction, we can find solutions to many a problems.

Let us join together in our humble endeavor of drawing our Godly students in the national stream so as to take India at the highest pinnacle of glory in the world.

Our Objectives

- To hone the students with quality education.
- To make the educational opportunities available to unprivileged and under-privileged section of the society.
- To channelize the students' potential in nation building.
- To inculcate need based skills among students.
- To make the students capable of facing the challenges in present scenario by providing the knowledge of latest technology and scientific attitude.
- To emphasize on values such as nationality, honesty, quality, adherence to rules and cleanliness for development of high standards of morality.

संकल्प की ओर...

इस महाविद्यालय का निर्माण एवम् शुरुवात एक राष्ट्रीय संकल्प पूर्ती के लिए किया गया है। यह केवल जनसेवा का कार्य नहीं है, बल्कि यह राष्ट्रीय कर्तव्य को समर्पित कार्य है। सक्षम विद्यार्थी समर्थ भारत का निर्माण कर सकता है। शिक्षा द्वारा सुसंस्कारित, चरित्रवान, बुद्धिमान, स्वाभिमानी एवम् राष्ट्र के लिए समर्पित विद्यार्थी निर्माण किया जा सकता है।

विद्यार्थी को कार्य का केंद्रबिंदू मानकर, विद्यार्थी को सामने रखकर सभी निर्णय संस्था लेती है। संस्था का ऐसा विश्वास है की, इन हज़ारों विद्यार्थियों में प्रचंड ऊर्जा छिपी हुई है, इस ऊर्जा को सही दिशा में मोड़ दिया जाए तो हम कई समस्याओं पर हल ढुंड सकते हैं। अच्छा वातावरण, अच्छे संस्कार एवम् सही दिशा राष्ट्र की उन्नति के लिए आवश्यक है।

आईए हम सब मिलकर इन ईश्वररूपी बच्चों को राष्ट्रीय प्रवाह में लाते हुए भारत को विश्व में परमोच्च स्थान पर लाने में सहयोग दे।
