3) Vishnu R. Dusad D-123, Sector 40 Noida – 201301	Whatever little I have learnt about your institution, I am certain someday it will become a place of pilgrimage for the rock solid foundational values on which it is being nurtured. The values of cleanliness, quality and integrity that are being here on day to day basis are the biggest gift that your institution will provide apart from the "normal education". My prayers to the almighty for god speed to growth of this pilgrimage centre!

27/02/2020	Prof. Dr. S.H. Pawar, Vice Chancellor, D.Y. Patil University, Kolhapur	I am indeed very happy to visit Shankar Lal Khandedwal College on the occasion of National Conference on Advances in Materials Research, as the Chief Guest for the Valedictory function. On this occasion, I could meet Shri. Gopalaji Khandedwal the Secretary of Sanatha and could discuss the progress. The college is very well developed and running very efficiently under the able guidance of Secretary and efficient administration of the young enthusiastic Principal Dr. Saloon J. M. The faculty is equally well qualified and most dynamic. The conference was very well organized under the convener ship of Dr. Devade and Dr. P.S. Pande. The students of this college are very bright and could interact very effectively. The infrastructure of the college is so well developed that they can think of more recent and frontier level research. I wish good luck for their future developments.  (S.H. Pawar)
