### **7.2.1. Describe two best practices successfully implemented by the Institution as per NAAC format provided in the manual (30)**

#### **Best Practice No. 1**

#### **Title of the Practice- Social Awareness Program**

**Context** - The deprived social elements other than the urban and rural population are part and parcel of our society. The students must understand these facts. Nearby society is socially and economically backward, so most of the college students coming from these areas are socially and economically backward.

**Objective** - 1. To develop awareness in the society and amongst the students about social issues, social rights and responsibilities, health problem & environment.  
2. To organize various programs with the help of students.

**The practice** - Social Awareness committee works to create the social bonding among staff, students and society. These activities are run by the committee from last 15 years. The visits are organized to villages for various purpose such as to help the needy and for the appreciation of the work of frontline workers working in the Covid-19 pandemic. In this context four activities were organized by the department.

1. Appreciation of the frontline workers
2. Student Welfare Fund
3. Distribution of clothes among flood victims of Ridhora
4. Spreading awareness regarding Covid-19 pandemic by Pamphlet Distribution

**Evidence of Success** – As per the objective stated by organising the programs for needy people the students can understand the social problems and its intensity. Many of our alumni

works for the society. Thus the social work continues.

The social awareness programs and help to society and needy students, creates a long-term impact on the life of students. Number of needy students have completed their higher education and are settled in their life. These students, citizens work for the wellbeing of the society and nation.

**Problems Encored and Resources required** – No problem was faced while running this program. The staff and students are devoting for the purpose of social welfare. The resources required for the program are mostly the man power that puts effort for the social cause. The students work voluntarily. They are less in number as compared to the total strength but those who participate voluntarily is sufficient in number for such events. The funds required were collected as donations from the management members, staff and students also.

## Felicitation of Frontline warriors' Program

Frontline warriors' felicitation, vaccination awareness and mask sanitizer pamphlets distribution by NSS and SJJS at Gorakshan & Mhaispur village.

The frontline workers such as doctors, Nurses, Aasha Workers, Aanganwadi Sevika, Sarpanch, Police Patil etc done a hazardous work in pandemic to save the life of people. So Samajik Janiv Jagruti Samiti & N.S.S. jointly felicitated these people of Village Mhaispur by offering certificates , Dupatta, Mask and sanitizers.

## Cri. VII - Institutional Values and Best Practices

Samajik Janiv Jagruti Samiti always works for the needy people. The heavy rainfall was occurred on 19<sup>th</sup> July 2021. The 200 Houses and 400 to 500 people were affected due to flood . So our committee had decided to distribute the clothes and blankets. So on 25<sup>th</sup> July 2021 Samaj Janiv Jagruti Samiti and N.S.S. distributed the clothes among the villagers. On the occasion Sarpanch Shri Aghadate and Gram Secretary and villagers were present.

**Best Practice No. 2**

**Title of the Practice- Jyotirmayee Girl's Empowerment Workshop**

**Objective of the Practice-**

1. To develop the overall personality of the girls students.

**The Context-** There are 60% girl students in our college. It is an age of competition and economic revolution. Although opportunities for progress are everywhere yet a student has to work very hard to climb the stairs of a brilliant career. The person having a good personality can move through the difficulties with more confidence. Personality is an important aspect in the life of a person that determines not only his professional success but also his overall behavior and attitude in life. So the college's women welfare committee is continuously organizing Jyotirmayee Girl's Empowerment Workshop since last four years.

**The Practice-** Women welfare Committee has organized ' Jyotirmayee' Online National Level Girls` Empowerment Workshop on 19-20 March, 2021. Due to Pandemic Covid-19 the workshop was organized online by creating YouTube Link. It was two days national online workshop. The programme was divided into 8 Sessions. The detailed schedule is mentioned below in annexure. The members of women welfare committee (all lady staff of college) guided the students on different topics. On Day 1 of the workshop 392 people streamed online. On Day 2 of the workshop 214 people streamed online. The inaugural guest was Dr. Taratai Hatwalney, President of our parent society Shikshan Prasarak Mandal, Akola.

**Evidence of Success** – It helps to gain confidence, self-esteem, positive impact on girl's communication skills and the way one sees the world. Students should develop an outgoing and impressive personality that will enhance the quality of learning. The girls acquires the qualities that make them unique by trying to develop their persona.

**Problems Encountered and Resources Requires-** No problem was faced while running this program. Due to pandemic less number of students took benefit of the program.
